The Membership held by any Owner shall not be transferred, pledged or alienated in any way, except upon the sale or encumbrance of such Owner's Condominium, and then only to the purchaser or Beneficiary of such Condominium. A prohibited transfer is void, and will not be reflected upon the books and records of the Association. A Class A Member who has sold his Condominium to a contract purchaser under an agreement to purchase shall be entitled to delegate to the contract purchaser his Membership rights in the Association. The delegation shall be in writing and shall be delivered to the Board before the contract purchaser may vote. However, the contract seller shall remain liable for all charges and assessments attributable to his Condominium until fee title to the Condominium sold is transferred, as further provided in Section 5.1 of this Declaration. If the Owner of any Condominium fails or refuses to transfer the Membership registered in his name to the purchaser of the Condominium upon transfer of fee title thereto, the Board of Directors shall have the right to record the transfer upon the books of the Association. The Association may levy a reasonable transfer fee against a new Owner and his Condominium (which fee shall be added to the Annual Assessment chargeable to such new Owner) to reimburse the Association for the administrative cost of transferring the membership to the new Owner on the records of the Association, provided such fee does not exceed the Association's actual cost involved in changing its records of ownership.

2.5. Classes of Membership.

The Association shall have two (2) classes of voting Membership.

Class A. Class A Members shall originally be all Owners, except Declarant for so long as there exists a Class B Membership. Class A Members shall be entitled to one (1) vote for each Condominium owned by such Class A Members and subject to assessment. Declarant shall become a Class A Member with regard to Condominiums owned by Declarant upon conversion of Declarant's Class B Membership as provided below. When more than one (1) Person owns any Condominium, all of those Persons shall be Members. The vote of such Condominium shall be exercised as they among themselves determine in accordance with Section 2.6, but in no event shall more than one (1) Class A vote be cast for any Condominium.

Class B. The Class B Member shall be Declarant. The Class B Member shall be entitled to three (3) votes for each Condominium owned and subject to assessment, provided that the Class B Membership shall cease and be converted to Class A Membership immediately upon the first to occur of the following events:

(1) The second anniversary of the original issuance of the most recently issued Final Subdivision Public Report for a Phase of Development; or

(2) The fourth anniversary of the original issuance of the Final Subdivision Public Report for Phase 1; or

(3) The seventh anniversary of the Recordation of this Declaration.

2.6. Voting Rights.

(a) All voting rights shall be subject to the Restrictions. Except as provided in Section 14.2 of this Declaration and Section 4.8 of the Bylaws, as long as there exists a Class B Membership, any provision of this Declaration, the Articles or Bylaws which expressly requires the vote or written consent of a specified percentage (i.e., other than actions requiring merely the vote or written consent of a majority of a quorum) of the voting power of the Association before action may be undertaken shall require the approval of such specified percentage of the voting power of each class of Membership. Except as provided in Section 14.2 of this Declaration and Section 4.8 of the Bylaws, when the Class B Membership has terminated,

any provision of this Declaration, the Articles or Bylaws which expressly requires the vote or written consent of Owners representing a specified percentage of the voting power of the Association before action may be undertaken shall then require the vote or written consent of Owners representing such specified percentage of both the total voting power of the Association and the voting power of the Association residing in Owners other than Declarant.

(b) At any meeting of the Association, each Owner, except as otherwise provided in Article II, Section 2.5 with respect to the voting power of Declarant, shall be entitled to cast no more than one (1) vote for each Condominium owned as shown on the Condominium Plan. Where there is more than one (1) record Owner of a Condominium ("co-owners"), all of those co-owners shall be Members and may attend any meeting of the Association, but only one (1) of those co-owners shall be entitled to exercise the single vote to which the Condominium is entitled. Co-owners owning the majority interests in a Condominium shall from time to time designate in writing one (1) of their number to vote. Fractional votes shall not be allowed, and the vote for each Condominium shall be exercised, if at all, as a unit. Where no voting co-owner is designated or if the designation has been revoked, the vote for the Condominium shall be exercised as the co-owners owning the majority interests in the Condominium mutually agree. Unless the Board receives a written objection in advance from a co-owner, it shall be conclusively presumed that the corresponding voting co-owner is acting with the consent of his co-owners. No vote shall be cast for any Condominium if the co-owners present in person or by proxy owning the majority interests in such Condominium cannot agree to said vote or other action. The nonvoting co-owner or co-owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly-owned Condominium and shall be entitled to all other benefits of ownership. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein, or in the Bylaws of the Association, shall be deemed to be binding on all Owners, their successors and assigns.

2.7. Repair and Maintenance of Common Property by the Association. Subject to Article X pertaining to destruction of Improvements and Article XI pertaining to

eminent domain, the Association shall paint, maintain, repair and replace the Common Property and Improvements thereon or shall contract for such maintenance, repair and replacement to assure maintenance of the Common Property and Improvements thereon in a clean, sanitary and attractive condition reasonably consistent with the level of maintenance reflected in the most current Budget on file with and approved by the DRE. However, the Association shall not be responsible for or obligated to perform those items of maintenance, repair or Improvement of the Units or Exclusive Use Common Area, the maintenance of which is the responsibility of the Owners as provided in Article II, Section 2.9. Association maintenance, repairs and Improvements shall include, without limitation, the right, without obligation, to perform all corrective janitorial, landscaping and repair work within any Residence, if the Owner fails to repair it; the repair and payment for all centrally metered utilities, water charges, and mechanical and electrical equipment in the Common Property; repair and maintenance of any and all fireplace chimneys; payment of all charges for all utilities which serve individual Units but which are subject to a common meter; payment of all Common Expenses and charges for water and utilities serving recreational amenities; the repair and maintenance of all walks, private driveways and other means of ingress and egress within the Property, and if determined by the Board to be economically feasible, an inspection and preventative program for the prevention and eradication of infestation by wood-destroying pests and organisms in the Property. If the Board adopts an inspection and preventative program for the prevention and eradication of infestation by wood destroying pests and organisms, the Association, upon reasonable notice (which shall be given no less than fifteen (15) days nor more than thirty (30) days before the date of temporary relocation) to each Owner and the occupants of his Unit, may require such Owner and occupants to temporarily relocate from such Unit in order to accommodate efforts by the Association to eradicate such infestation. The notice shall state the reason for the temporary relocation, the date and time of the beginning of treatment, the anticipated date and time of termination of treatment, and that the occupants will be responsible for their own accommodations during the temporary relocation. Any damage caused to a Unit by such entry by the Board or by any person authorized by the Board shall be repaired by the Board as a Common Expense of the Association. All costs involved in maintaining the inspection and prevention program as well as repairing and replacing the Common Property and Improvements thereon when the need for such maintenance, repair or replacement is the result of wood destroying pests or organisms shall be a Common Expense subject to the restrictions applicable to Capital Improvement Assessments. All such costs of maintenance, repairs and replacements for the Property shall be paid for as Common Expenses out of the Association Maintenance Funds as provided in this Declaration. All work

performed by the Association for and on behalf of an Owner which work is not the responsibility of the Association shall be charged to the Owner as a Special Assessment. It shall further be the affirmative duty of the Board of Directors to require strict compliance with all provisions of this Declaration and to cause the Property to be inspected by the Architectural Committee for any violation thereof. The cost of any maintenance, repairs or replacements by the Association arising out of, or caused by, the act of an Owner or such Owner's Family, tenants, guests, invitees, or agents shall, after Notice and Hearing, be levied by the Board as a Special Assessment against such Owner.

2.8. Unsegregated Real Property Taxes.

To the extent not assessed to or paid by the Owners, the Association shall pay all real and personal property taxes and assessments levied upon any portion of the Property. In addition, if all of the Units in a Phase of Development are taxed under a blanket tax bill covering all of such Phase, each Owner shall pay his proportionate share of any installment due under the blanket tax bill to the Association at least ten (10) days prior to the delinquency date; and the Association shall transmit the taxes to the appropriate tax collection agency on or before the delinquency date. Blanket taxes shall be allocated equally among the Owners and their Condominiums in such Phase, based upon the total number of Units in such Phase. The Association shall, at least forty-five (45) days prior to the delinquency date of any blanket tax installment, deliver to each Owner in such Phase a copy of the tax bill, along with a written notice setting forth the Owner's obligation to pay his proportionate share of the tax installment and the potential additional charges to the Owner for failure to comply. The Association shall pay the taxes on behalf of any Owner who does not pay his proportionate share. The Association shall add to the Annual Assessment of a delinquent Owner the amount of any sum advanced, plus interest at the rate of ten percent (10%) per annum and any amount necessary to reimburse the Association for any penalty or late charge actually assessed in connection with the blanket tax bill for a Phase of Development, which late charge results from the failure of the delinquent Owner to make timely payment of his proportionate share of the taxes. Until the Close of Escrow for the sale of ninety percent (90%) of the Condominiums in the Project, the foregoing provisions relating to the collection of taxes in connection with a blanket tax bill on all or any portion of the Project may not be amended without the express written consent of Declarant.

2.9. Repair and Maintenance by Owners.

Each Owner shall maintain, repair, replace, paint, paper, plaster, tile, finish and restore or cause to be so maintained, repaired, replaced and restored, at his sole expense, all portions of his Unit, as well as the windows,

doors, light fixtures actuated from switches controlled from, or separately metered to, such Owner's Unit, and the interior surfaces of the walls, ceilings, floors, doors, permanent fixtures and firebox in the fireplace, in a clean, sanitary and attractive condition, in accordance with the Condominium Plan and the original construction design of the Improvements in the Project. However, no bearing walls, ceilings, floors or other structural or utility bearing portions of the buildings housing the Units shall be pierced or otherwise altered or repaired, without the prior written approval of the plans for the alteration or repair by the Architectural Committee. It shall further be the duty of each Owner, at his sole expense, to keep the Exclusive Use Common Area over which an exclusive easement has been reserved for the benefit of such Owner free from debris and maintained in a reasonably good state of repair subject to the approval of the Architectural Committee. Such obligation shall include, without limitation, the maintenance of the outermost floor covering on the deck of the Owner. Subject to the foregoing, no Owner shall be responsible for the periodic structural repair or replacement of his assigned Exclusive Use Common Area, so long as the repair or replacement is not caused by the willful or negligent acts of the Owner or his Family, tenants or guests. It shall further be the duty of each Owner to pay when due all charges for any utility service which is separately metered to his Unit. If the Board does not adopt an inspection and prevention program pursuant to Section 2.7 herein to deal with wood-destroying pests and other such organisms, such a program shall be the responsibility of the Owner with respect to his or her own Unit. Subject to any required approval of the Architectural Committee, each Owner shall be responsible for maintaining those portions of any heating and cooling equipment, including without limitation the air conditioning pad which may support the air conditioning compressor serving such Owner's Unit, and other utilities which are located within or which exclusively serve his Unit. Each Owner shall maintain and replace any automatic garage door opener for his garage.

2.10. Use of Agent.

The Board of Directors, on behalf of the Association, may contract with a Manager for the performance of maintenance and repair and for conducting other activities on behalf of the Association, as may be determined by the Board. The maximum term of any such contract ("Management Contract") shall be one (1) year, unless a longer term is approved either by vote or written assent of a majority of the voting power of the Association or by the VA or FHA, in which case the maximum term of the Management Contract shall be three (3) years. The maximum term of any contract providing for Declarant's services to the Association or the Project shall

also be three (3) years. Each such contract for Declarant's services and each Management Contract shall provide for its termination by either party thereto with cause upon no more than thirty (30) days' written notice to the other party, and without cause and without payment of a termination fee upon no more than ninety (90) days' written notice to the other party.

2.11. FHA Regulatory Agreement.

In order to induce FHA to insure Mortgages on Condominiums in the Project, the Association may enter into an agreement with FHA concerning the financial and maintenance affairs of the Association, which agreement may be executed on FHA Form No. 3278. If the Association enters into such an agreement, its provisions shall control in the event of a conflict with the provisions of this Declaration, the Bylaws, or the Articles, so long as FHA is insuring loans secured by Mortgages on Condominiums in the Project.

ARTICLE III

3. Rights in Common Property.

3.1. Association Easement.

The Association shall have an easement over the Common Area for performing its duties and exercising its powers described in this Declaration. The Association's obligations to maintain the Common Property in any Phase of Development shall commence on the date Annual Assessments commence on Condominiums in such Phase. Until commencement of Annual Assessments on Condominiums in any Phase, the Common Property in such Phase shall be maintained by Declarant.

3.2. Partition.

Except as provided in this Declaration, there shall be no judicial partition of the Common Area, or any part thereof, for the term of the Project, nor shall Declarant, any Owner or any other Person acquiring any interest in any Condominium in the Project seek any such judicial partition.

3.3. Members' Easements in Common Property.

Subject to the provisions of this Declaration, every Member of the Association shall have, for himself, his Family, his tenants and guests, a nonexclusive easement of access, ingress, egress, use and enjoyment of, in and to the Common Property, and such easements shall be appurtenant to and shall pass with title to every Condominium in the Project.

3.4. Extent of Members' Easements.

The rights and easements of use and enjoyment of the Common Property created by this Declaration shall be subject to the Restrictions, which include, without limitation, the following:

(a) The right of the Board to suspend the rights and easements of any Member, and the Persons deriving such rights and easements from any Member, for use and enjoyment of any recreation facilities located on the Common Property, for any period during which the payment of any Annual, Special, Capital Improvement or Reconstruction Assessment against the Member and his Condominium remains delinquent, and, after Notice and Hearing as provided in the Bylaws, to suspend such rights and easements for the period set forth in the Bylaws for any violation of the Restrictions, it being understood that any suspension for either nonpayment of any Assessment or breach of the Restrictions shall not constitute a waiver or discharge of the Member's obligation to pay assessments as provided in this Declaration;

(b) The right of the Association to consent to or otherwise cause the construction of additional Improvements on the Common Property and to consent to or otherwise cause the alteration or removal of any existing Improvements on the Common Property for the benefit of the Members of the Association;

(c) The right of the Association, acting through the Board, to grant, consent to or join in the grant or conveyance of easements, licenses or rights-of-way in, on or over the Common Property for purposes not inconsistent with the intended use of the Property as a residential Condominium project;

(d) Subject to the provisions of this Declaration, the right of each Owner to the exclusive use and occupancy for the purposes designated in this Declaration or in any Recorded Notice of Addition of the Exclusive Use Common Area assigned to his respective Unit;

(e) The rights and reservations of Declarant as set forth in this Declaration;

(f) The right of the Association, acting through the Board, to reasonably restrict access to roofs, maintenance and landscaped areas and similar areas of the Property;

(g) The right of the Association to reasonably limit the number of guests and tenants of the Owners using the Common Property; and

(h) The right of the Association, acting through the Board, to establish uniform Rules and Regulations for the use of the Common Property, as provided in this Declaration.

3.5. Delegation of Use.

Any Member entitled to the right and easement of use and enjoyment of the Common Property may delegate, in accordance with the Bylaws, his right to use and enjoyment of the Common Property to his tenants, contract purchasers or subtenants who reside in his Condominium, subject to reasonable regulation by the Board. An Owner who has made such a delegation of rights shall not be entitled to use or enjoy the recreational facilities or equipment of the Property for so long as such delegation remains in effect.

3.6. Waiver of Use.

No Member may exempt himself from personal liability for Assessments duly levied by the Association, or effect the release of his Condominium from the liens and charges thereof, by waiving use and enjoyment of the Common Property or by abandoning his Condominium.

3.7. Damage by Member.

To the extent permitted by California law, each Member shall be liable to the Association for any damage to the Common Property not fully reimbursed to the Association by insurance if the damage is sustained because of the negligence, willful misconduct or unauthorized or improper installation or maintenance of any Improvement by the Member, his guests, tenants or invitees, or any other Persons deriving their right and easement of use and enjoyment of the Common Property from the Member, or his or their respective Family and guests, both minor and adult. However, the Association, acting through the Board, reserves the right to determine whether any claim shall be made upon the insurance maintained by the Association, and the Association further reserves the right, after Notice and Hearing as provided in the Bylaws, to levy a Special Assessment equal to the increase, if any, in insurance premiums directly attributable to the damage caused by the Member or the Person for whom the Member may be liable as described above. In the case of joint ownership of a Condominium, the liability of the owners shall be joint and several, except to the extent that the Association shall have previously contracted in writing with the joint owners to the contrary. After Notice and Hearing as provided in the Bylaws, the cost of correcting the damage to the extent not reimbursed to the Association by insurance shall be a Special Assessment against such Member's Condominium, and may be enforced as provided herein.

ARTICLE IV

4. Architectural Review Committee.

4.1. Members of Committee.

The Architectural Review Committee, sometimes referred to in this Declaration as the "Architectural Committee" or the "Committee," shall consist of three (3) members. The initial members of the Committee shall consist of representatives of Declarant. Subject to the following provisions, Declarant shall have the right and power at all times to appoint or remove a majority of the members of the Architectural Committee or to fill any vacancy of such majority until either (i) Close of Escrow has occurred for the sale of ninety percent (90%) of all the subdivision interests in the overall development, including the Annexable Territory and the Project, or (ii) five (5) years following the date of original issuance of the Final Subdivision Public Report for Phase 1, whichever occurs earlier. Commencing one (1) year from the issuance of the Final Subdivision Public Report for Phase 1, the Board shall have the power to appoint and remove one (1) member of the Architectural Committee. The Board shall have the power to appoint and remove all of the members of the Architectural Committee, provided Declarant is not then entitled to appoint all or a portion of the members pursuant to this Section 4.1. Committee members appointed by the Board shall be from the Membership of the Association, but Committee members appointed by Declarant need not be Members of the Association. Board members may also serve as Committee members.

4.2. Review of Plans and Specifications.

The Committee shall consider and act upon any and all plans and specifications submitted for its approval under this Declaration and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Committee. No construction, alteration, removal, relocation, repainting, demolishing, addition, modification, decoration, redecoration or reconstruction of an Improvement in the Property shall be commenced or maintained, until the plans and specifications therefor showing the nature, kind, shape, height, width, color, materials and location of the same shall have been submitted to the Committee and approved in writing by the Committee; provided, however, that any Improvement may be repainted without Committee approval, so long as the Improvement is repainted the identical color which it was last painted. Without limiting the generality of this Article IV, the provisions of this Article IV apply to the construction, installation, alteration and modification of solar energy system, as defined in Section 801.5 of the California Civil Code, subject to the provisions of California Civil Code Section 714, the Uniform Building Code

of the City, applicable zoning regulations and associated City ordinances. The Owner submitting the plans ("Applicant") shall obtain a written, dated receipt for the plans and specifications from an authorized agent of the Committee. Until changed by the Board, the address for the submission of such plans and specifications shall be the principal office of the Association. The Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations, or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, that the construction thereof will not detract from the beauty, wholesomeness and attractiveness of the Common Property or the enjoyment thereof by the Members, and that the upkeep and maintenance thereof will not become a burden on the Association. Declarant, and any Person to which Declarant may assign any or all of its exemptions hereunder, need not seek or obtain Committee approval for any Improvement constructed on the Property by Declarant or such Person, as the case may be.

The Committee may condition its approval of proposals or plans and specifications for any Improvement (1) upon the Applicant's furnishing the Association with security acceptable to the Association against any mechanic's lien or other encumbrance which may be Recorded against the Property as a result of such work, (2) on such changes therein as it deems appropriate, (3) upon the Applicant's agreement to grant appropriate easements to the Association for the maintenance of the Improvements, (4) upon the Applicant's agreement to install (at its sole cost) water, gas, electrical or other utility meters to measure any increased consumption, (5) upon the Applicant's agreement to reimburse the Association for the cost of maintenance, or (6) upon the Applicant's agreement to complete the proposed work within a stated period of time, or all of the above, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Committee may also issue rules or guidelines setting forth procedures for the submission of plans for approval, requiring a fee to accompany each application for approval, or additional factors which it will take into consideration in reviewing submissions. The Committee may provide that the amount of the fee shall be uniform, or that it be determined in any other reasonable manner, such as by the reasonable cost of the construction, alterations or additions contemplated. The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including without limitation, floor plans, site plans, drainage plans, elevation drawings and description or samples of exterior material and colors.

Until receipt by the Committee of any required plans and specifications, the Committee may postpone review of any plan submitted for approval. Decisions of the Committee and the reasons for the decisions shall be transmitted by the Committee to the Applicant at the address set forth in the application for approval, within forty-five (45) days after receipt by the Committee of all materials required by the Committee. Any application submitted pursuant to this Section 4.2 shall be deemed approved, unless written disapproval or a request for additional information or materials by the Committee shall have been transmitted to the Applicant within forty-five (45) days after the date of receipt by the Committee of all required materials. The Applicant shall meet any review or permit requirements of the City prior to making any alterations or Improvements permitted hereunder.

4.3. Meetings of the Committee.

The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time by resolution unanimously adopted in writing designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 4.8. In the absence of such designation, the vote of a majority of the Committee or the written consent of a majority of the Committee taken without a meeting, shall constitute an act of the Committee.

4.4. No Waiver of Future Approvals.

The approval of the Committee of any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent to any similar proposals, plans and specifications, drawings or matter subsequently or additionally submitted for approval or consent.

4.5. Compensation of Members.

The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

4.6. Correction of Defects.

Inspection of work and correction of defects therein shall proceed as follows:

- (a) The Committee or its duly authorized representative may at any time inspect any Improvement for which approval of plans is required under this Article IV. However, the Committee's right of inspection of Improvements for which plans

have been submitted and approved shall terminate sixty (60) days after the work of Improvement has been completed and the respective Owner has given written notice of its completion to the Committee. The Committee's rights of inspection shall not terminate pursuant to this paragraph if plans for the work of Improvement have not previously been submitted to and approved by the Committee. If, as a result of such inspection, the Committee finds that the Improvement was done without obtaining approval of the plans therefor or was not done in substantial compliance with the plans approved by the Committee, it shall notify the Owner in writing of failure to comply with this Article IV within sixty (60) days from the inspection, specifying the particulars of noncompliance. The Committee shall have the authority to require the Owner to take such action as may be necessary to remedy the noncompliance.

(b) If upon the expiration of sixty (60) days from the date of such notification, the Owner has failed to remedy the noncompliance, the Committee shall notify the Board in writing of such failure. Upon Notice and Hearing, as provided in the Bylaws, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date that notice of the Board ruling is given to the Owner. If the Owner does not comply with the Board ruling within that period, the Board, at its option, may institute judicial proceedings to compel the Owner to remove the noncompliance.

(c) If for any reason the Committee fails to notify the Owner of any noncompliance with previously submitted and approved plans within sixty (60) days after receipt of written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with the approved plans.

4.7. Scope of Review.

The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed Improvement, alteration or addition, on the basis of aesthetic considerations, consistency with this Declaration, and the overall benefit or detriment which would result to the immediate vicinity and the Property generally. The Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features. The Committee's approval or disapproval shall be based solely on the considerations set forth in this Article IV, and the Committee shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes. The Architectural Committee may consider the impact of views from other Residences and reasonable privacy rights as factors in reviewing, approving or disapproving any proposed landscaping, construction or other Improvement. However, Declarant does not warrant any protected view within the Project, and no Residence or Condominium is assured the existence or unobstructed continuation of any particular view.

4.8. Variations.

The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in writing, must be signed by at least a majority of the members of the Committee, and shall become effective upon Recordation. After Declarant has lost the right to appoint a majority of the members of the Committee, the Board must approve any variance recommended by the Committee before any such variance shall become effective. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of his Residence.

ARTICLE V

5. Association Maintenance Funds and Assessments.

5.1. Personal Obligation of Assessments.

Declarant, for each Condominium owned by it, hereby covenants and agrees to pay, and each Owner, by acceptance of a deed of a Condominium whether or not it shall be so expressed in any such deed, is deemed to covenant and agree to pay to the Association all Annual Assessments for Common Expenses and all applicable Special Assessments, Reconstruction Assessments and Capital Improvement Assessments. The Association shall not levy or collect any Annual Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment that exceeds the amount necessary for the purpose for which it is levied. Except as provided in this Section 5.1, all such assessments, together with interest, costs, and reasonable attorneys' fees, shall be a separate, distinct and personal obligation of the Person who was the Owner of the Condominium at the time when the assessment fell due. This personal obligation cannot be avoided by abandonment of the Condominium or by an offer to waive use of the Common Property or the Exclusive Use Common Area. The personal obligation for delinquent assessments shall not pass to any new Owner ("Purchaser") unless expressly assumed by the Purchaser.

5.2. Maintenance Funds of Association.

The Board of Directors shall establish no fewer than two (2) separate accounts (Maintenance Fund accounts), into which shall be deposited all monies paid to the Association, and from which disbursements shall be made, as provided herein, in the performance of functions by the Association under this Declaration. The Maintenance Funds may be established as trust accounts at a banking or savings institution. The Maintenance Funds shall include: (1) an Operating Fund for current Common Expenses of the Association, (2) a Reserve Fund for capital Improvements, replacements, painting and repairs of the Common Property (which cannot normally be expected to occur on an annual or more frequent basis), and (3) any other funds which the Board of Directors may establish to the extent necessary under the provisions of this Declaration. Nothing contained herein shall limit, preclude or impair the establishment of additional Maintenance Funds, so long as the amounts assessed to, deposited into, and disbursed from any such Fund are earmarked for specified purposes authorized by this Declaration.

5.3. Purpose of Assessments.

The assessments levied by the Board of Directors on behalf of the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Condominiums, for the operation, replacement, improvement

and maintenance of the Property, and to discharge any other obligations of the Association under this Declaration. All amounts deposited into the Maintenance Funds must be used solely for the common benefit of all of the Owners for purposes authorized by this Declaration. Disbursements from the Operating Fund shall be made by the Board of Directors for such purposes as may be necessary for the discharge of its responsibilities herein for the common benefit of all of the Owners, other than those purposes for which disbursements from the Reserve Fund are to be used. Disbursements from the Reserve Fund shall be made by the Board of Directors only for the respective purposes specified in this Article V. Nothing in this Declaration shall be construed in such a way as to permit the use of Association assessments or funds to abate any annoyance or nuisance emanating from outside the boundaries of the Property. Annual Assessments shall be used to satisfy Common Expenses of the Association, as provided herein and in the Bylaws.

5.4. Limitations on Annual Assessment Increases.
The Board shall levy Annual Assessments in accordance with the following provisions:

(a) Maximum Authorized Annual Assessment for Initial Year of Operations. Until the first day of the Fiscal Year immediately following the Fiscal Year in which Annual Assessments commence, the Board shall not levy an Annual Assessment per Condominium in an amount greater than Two Thousand Eight Hundred Fifty-Five Dollars and Ninety-Six Cents (\$2,855.96) without the vote of Members casting a majority of votes at a meeting or election of the Association in which more than fifty percent (50%) of the Members are represented. Notwithstanding the foregoing, this Section does not limit Annual Assessment increases necessary for addressing an "Emergency Situation" as defined in Section 5.4(e).

(b) Maximum Authorized Annual Assessment for Subsequent Fiscal Years. Starting with the first Fiscal Year immediately following the Fiscal Year in which Annual Assessments commence, the Board shall not levy Annual Assessments in any Fiscal Year in excess of one hundred twenty percent (120%) of the Annual Assessments levied during the immediately preceding Fiscal Year without the vote of Members casting a majority of votes at a meeting or election of the Association in which more than fifty percent (50%) of the Members are represented. Notwithstanding the foregoing, this Section does not limit Annual Assessment increases necessary for addressing an "Emergency Situation" as defined in Section 5.4(e).

(c) Supplemental Annual Assessments. If the Board, by majority vote, determines that the important and essential functions of the Association may be properly funded by an Annual Assessment in an amount less than the maximum authorized Annual Assessment described above, it may levy such lesser Annual Assessment. If the Board determines that the estimate of total charges for the current year is or will become inadequate to meet all Common Expenses for the Property for any reason, it shall immediately determine the approximate amount of the inadequacy. Subject to the limitations described in Sections 5.4(a) and (b) above and (d) below, the Board shall have the authority to levy, at any time by a majority vote, a supplemental Annual Assessment reflecting a revision of the total charges to be assessed against each Condominium.

(d) Automatic Assessment Increases. Notwithstanding any other provisions of this Section 5.4, upon Declarant's annexation of any portion of the Annexable Territory pursuant to Article XVI, the Annual Assessment shall be automatically increased by the additional amount, if any, necessary to maintain the Common Property in or abutting such Annexable Territory in accordance with the standards prescribed by the then current DRE Operating Cost Manual, or if the Operating Cost Manual is no longer maintained by the DRE, pursuant to standards prescribed by comparable maintenance cost guidelines prepared in accordance with prudent property management practices. However, such increase shall occur only if (i) the annexation of such Annexable Territory is permitted by the DRE and VA or FHA, and (ii) the amount of such increase does not result in the levy of an Annual Assessment which is greater than Two Thousand Eight Hundred Fifty-Five Dollars and Ninety-Six Cents (\$2,855.96).

(e) Emergency Situations. For purposes of Sections 5.4(a), 5.4(b) and 5.6, an "Emergency Situation" is any one of the following:

(i) An extraordinary expense required by an order of a court;

(ii) An extraordinary expense necessary to repair or maintain the Property or any portion thereof for which the Association is responsible where a threat to personal safety on the Property is discovered; and

(iii) An extraordinary expense necessary to repair or maintain the Property or any portion thereof for which the Association is responsible that could not have been reasonably foreseen by the Board when preparing the Budget. Prior to the imposition or collection of an assessment pursuant to this subparagraph (iii), the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process. The resolution shall be distributed to the Members with the Notice of Assessment.

5.5. Annual Assessments/Commencement-Collection.

The Board of Directors shall authorize and levy the amount of the Annual Assessment upon each Condominium, as provided herein, by majority vote of the Board. The initial Annual Assessment shall begin on all Condominiums in a Phase of Development (including unsold Condominiums therein owned by Declarant) on the first day of the first calendar month following the first Close of Escrow for the sale of a Condominium in such Phase, or on the first day of the first calendar month following the conveyance to the Association of the Association Property, if any, in such Phase, whichever shall first occur. All Annual Assessments shall be determined and assessed uniformly against the Members and their Condominiums based upon the number of Condominiums owned by each Member. Annual Assessments for fractions of any month involved shall be prorated. Declarant shall pay its full pro rata share of the Annual Assessments on all unsold Condominiums for which Annual Assessments have commenced. The Board shall fix the amount of the Annual Assessment against each Condominium at least thirty (30) days in advance of each Annual Assessment period. From time to time the Board may determine that all excess funds in the Operating Fund be retained by the Association and used to reduce the following year's Annual Assessments. Upon dissolution of the Association incident to the abandonment or termination of the Property, any amounts remaining in any of the Maintenance Funds shall be distributed to or for the benefit of the Members in the same proportions as such monies were collected from the Members.

Declarant and any other owner of a Unit which has not been constructed shall be exempt from payment of that portion of the Annual Assessment which is for the purpose of defraying expenses and reserves directly attributable to the existence and use of the Unit. The exemption shall include, without limitation, expenses and reserves relating to roof replacement, exterior maintenance, walkway and carport lighting, cable television, refuse disposal, and any domestic water supplied to the Unit. Any such exemption from the

payment of Annual Assessments shall be in effect only until the earlier to occur of (1) the recordation of a notice of completion of the building containing the Unit, (2) the occupation or use of the Unit, or (3) completion of all elements of the Condominium structures that the Association is obligated to maintain.

Notwithstanding any other provisions of this Declaration, until the earlier to occur of (1) the recordation of a notice of completion of an Improvement on the Common Area, or (2) the placement of such Improvement into use, each Owner (including Declarant) shall be exempt from paying that portion of any Annual Assessment which is for the purpose of defraying expenses and reserves directly attributable to the existence and use of such Improvement.

Each Member shall pay to the Association his Annual Assessment in installments at such frequency and in such amounts as established by the Board. Each Annual Assessment may be paid by the Member to the Association in one check or in separate checks as payments attributable to the deposits under the Operating Fund and the Reserve Fund. If any installment of an Annual Assessment payment is less than the amount assessed and the payment does not specify the Maintenance Fund or Funds into which it should be deposited, the receipt by the Association from that Owner shall be credited in order of priority first to the Operating Fund, until that portion of the Annual Assessment has been satisfied, and second to the Reserve Fund.

5.6. Capital Improvement Assessments.

Should the Board of Directors determine the need for a capital Improvement or other such addition to the Property, the cost of which in the aggregate exceeds five percent (5%) of the Budgeted gross expenses of the Association for the then current Fiscal Year, then the vote or written consent of Members casting a majority of votes at a meeting or election of the Association in which more than fifty percent (50%) of the Members are represented shall be required to approve and render effective a Capital Improvement Assessment levied by the Board of Directors to cover the cost of such expenditure. Capital Improvement Assessments may be levied by the Board without the consent of the Members, if the aggregate of such expenditures in each Fiscal Year does not exceed five percent (5%) of the Budgeted gross expenses of the Association for such Fiscal Year. Notwithstanding the foregoing, the Board may levy in any Fiscal Year, a Capital Improvement Assessment applicable to that Fiscal Year which exceeds five percent (5%) of the Budgeted gross expenses of the Association for such Fiscal Year if such increase is necessary for addressing an Emergency Situation as defined in Section 5.4(e).

5.7. Delinquency.

Any installment of an assessment provided for in this Declaration shall become delinquent if not paid within fifteen (15) days of the due date as established by the Board of Directors of the Association. The Board shall be authorized to adopt a system pursuant to which any installment of Annual Assessments, Capital Improvement Assessments, Special Assessments, or Reconstruction Assessments not paid within thirty (30) days after the due date, plus all reasonable costs of collection (including attorneys' fees) and late charges as provided herein, shall bear interest commencing thirty (30) days from the due date until paid at the rate of up to twelve percent (12%) per annum, but in no event more than the maximum rate permitted by law. The Board of Directors may also require the delinquent Owner to pay a late charge in accordance with California Civil Code Section 1366(c)(2). The Association need not accept any tender of a partial payment of an installment of an assessment and all costs and attorneys' fees attributable thereto, and any acceptance of any such tender shall not be deemed to be a waiver of the Association's right to demand and receive full payments thereafter.

5.8. Creation and Release of Lien.

All sums other than Special Assessments assessed in accordance with the provisions of this Declaration shall constitute a lien on the respective Condominium prior and superior to all other liens, except (1) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (2) the lien or charge of any first Mortgage of record (meaning any Recorded Mortgage or Deed of Trust with first priority or seniority over other Mortgages or Deeds of Trust) made in good faith and for value and Recorded prior to the date on which the lien became effective. Notwithstanding the foregoing, any assessment lien provided for hereunder shall be prior and superior to any declaration of homestead Recorded after the Recordation of this Declaration. The lien shall become effective upon Recordation by the Board or its authorized agent of a Notice of Assessment ("Notice of Lien") securing the payment of any Annual, Capital Improvement or Reconstruction Assessment or installment thereof, levied by the Association against any Condominium Owner as provided in Section 1367 of the California Civil Code. The Notice of Lien shall state (i) the amount of the assessment or installment, as the case may be, and other authorized charges and interest, including the cost of preparing and Recording the Notice of Lien, (ii) the expenses of collection in connection with any delinquent installments, including without limitation reasonable attorneys' fees, (iii) a sufficient description of the Condominium against which the same has been assessed, (iv) the name and address of the Association, (v) the name of the Owner thereof, and (vi) in order for the lien to be enforced by nonjudicial foreclosure,

the name and address of the trustee authorized by the Association to enforce the lien by sale. The Notice of Lien shall be signed by the President or Vice President and Secretary or Assistant Secretary of the Association. The lien shall relate only to the individual Condominium against which the assessment was levied and not to the Property as a whole. Upon payment to the Association of the full amount claimed in the Notice of Lien, or other satisfaction thereof, the Board of Directors shall cause to be Recorded a Notice of Satisfaction and Release of Lien ("Notice of Release") stating the satisfaction and release of the amount claimed. The Board of Directors may demand and receive from the applicable Owner a reasonable charge for the preparation and Recordation of the Notice of Release before Recording it. Any purchaser or encumbrancer who has acted in good faith and extended value may rely upon the Notice of Release as conclusive evidence of the full satisfaction of the sums stated in the Notice of Lien.

5.9. Enforcement of Liens.

It shall be the duty of the Board of Directors to enforce the collection of any amounts due under this Declaration by one (1) or more of the alternative means of relief afforded by this Declaration. The lien on a Condominium may be enforced by sale of the Condominium by the Association, the Association's attorneys, any title insurance company authorized to do business in California, or other persons authorized to conduct the sale as a trustee, after failure of the Owner to pay any Annual, Capital Improvement or Reconstruction Assessment, or installment thereof, as provided herein. The sale shall be conducted in accordance with the provisions of the California Civil Code, applicable to the exercise of powers of sale in mortgages and deeds of trust, or in any manner permitted by law. An action may be brought to foreclose the lien of the Association by the Board, or by any Owner if the Board fails or refuses to act, after the expiration of at least thirty (30) days from the date on which the Notice of Lien was Recorded; provided that at least ten (10) days have expired since a copy of the Notice of Lien was mailed to the Owner affected thereby. The Association, through its agents, shall have the power to bid on the Condominium at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, an action may be brought by the Association or the purchaser at the sale in order to secure occupancy of the defaulting Owner's Unit, and the defaulting Owner shall be required to pay the reasonable rental value for such Unit during any period of continued occupancy by the defaulting Owner or any persons claiming under the defaulting Owner. Suit to recover a money judgment for unpaid assessments shall be maintainable without foreclosing or waiving any lien securing the same, but this provision or any institution of suit to recover a money judgment shall not constitute an affirmation of the adequacy of money damages.

Any recovery resulting from a suit at law or in equity initiated pursuant to this Section may include reasonable attorneys' fees as fixed by the court.

5.10. Priority of Assessment Lien.

The lien of the assessments, including interest and costs of collection (including attorneys' fees), provided for herein shall be subordinate to the lien of any first Mortgage upon any Condominium. Sale or transfer of any Condominium shall not affect the assessment lien. However, the sale or transfer of any Condominium pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Condominium from liens for any assessments thereafter becoming due. When the Mortgagee of a first Mortgage of record or other purchaser of a Condominium obtains title pursuant to a judicial or nonjudicial foreclosure of the first Mortgage, such acquirer of title, his successors and assigns, shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Condominium which became due prior to the acquisition of title to such Condominium by such acquirer. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from all of the Owners of the Condominiums in the Property including such acquirer, his successors and assigns.

5.11. Capital Contributions to the Association.

Upon acquisition of record title to a Condominium from Declarant, each Owner of a Condominium in Phase 1 shall contribute to the capital of the Association an amount equal to one-sixth (1/6th) of the amount of the then Annual Assessment for that Condominium as determined by the Board. This amount shall be deposited by the buyer into the purchase and sale escrow and disbursed therefrom to the Association or to Declarant if Declarant has previously advanced such funds to the Association.

ARTICLE VI

6. Project Easements and Rights of Entry.

6.1. Easements.

(a) Access. Declarant expressly reserves for the benefit of the Owners reciprocal, nonexclusive easements for access, ingress and egress over all of the Common Property, including any private streets or driveways currently existing in the Property or subsequently added to it, which easements may be conveyed by Declarant to Owners and to the Association for so long as Declarant owns any interest in the Property. Subject to the

provisions of this Declaration governing use and enjoyment thereof, the easements may be used by all Owners and their guests, tenants and invitees residing on or temporarily visiting the Property, for walkways, vehicular access and such other purposes reasonably necessary for use and enjoyment of a Condominium in the Project.

(b) Maintenance and Repair. Declarant expressly reserves for the benefit of the Board of Directors and all agents, officers and employees of the Association, nonexclusive easements over the Common Area (including the Exclusive Use Common Area) as necessary to maintain and repair the Common Area, and to perform all other tasks in accordance with the provisions of this Declaration. Such easements over the Common Area shall be appurtenant to, binding upon, and shall pass with the title to, every Condominium conveyed.

(c) Exclusive Use Common Area. Declarant expressly reserves for the benefit of certain Owners exclusive easements over the Common Area, for use of the Exclusive Use Common Area, including without limitation for deck and stairway purposes as shown and assigned on the Condominium Plan or Plans for the Project, for patio purposes as shown and assigned on Exhibit "E" hereto for Phase 1 or on the respective Notice of Addition of Territory for subsequent Phases of Development and for garage and carport purposes as shown and assigned on Exhibit "C" hereto for Phase 1 or on the respective Notice of Addition of Territory for subsequent Phases of Development. Owners shall be entitled to transfer Exclusive Use Common Area parking spaces assigned to their respective Units, provided that a deed of conveyance is Recorded identifying the Exclusive Use Common Area parking space which is being transferred, the transferring Owner, such Owner's Condominium and the transferee, is executed by the transferring Owner and the first Mortgagee of such Owner. A copy of the Recorded deed of conveyance shall be delivered to the Board as soon as possible after Recordation.

(d) Utility Easements. Declarant expressly reserves for the benefit of the Association the right of Declarant to grant additional easements and rights-of-way over the Property to utility companies and public agencies, as necessary, for the proper development and disposal of the Property. Such right of Declarant shall expire (i) with respect to any Phase of Development, upon Close of Escrow for the sale of all Condominiums in such Phase by Declarant, or (ii) with respect to all Phases, upon expiration of seven (7) years from the date of original issuance by the DRE of the Final Subdivision Public Report for Phase 1.

(e) Encroachments. Declarant, the Association and Owners of contiguous Residences shall have a reciprocal easement appurtenant to each of the Residences over the Residences and the Common Property for the purpose of (1) accommodating any existing encroachment of any wall of any Improvement, and (2) maintaining the same and accommodating authorized construction, reconstruction, repair, shifting, movement or natural settling of the Improvements or any other portion of the Project housing their respective Units. Easements and reciprocal negative easements for utility services and repairs, replacement and maintenance of the same over all of the Common Property are specifically reserved for the benefit of the Owners. Declarant expressly reserves for the benefit of the Common Area, and for the benefit of the Owners and the Association, reciprocal nonexclusive easements for drainage of water over, across and upon the Common Area. The foregoing easements shall not unreasonably interfere with each Owner's use and enjoyment of adjoining Residences. No portion of the Common Property, including without limitation parking spaces and other amenities contemplated as a part of the Property, are proposed to be leased by Declarant to the Owners or to the Association.

(f) Completion of Improvements. Declarant expressly reserves for its benefit the right and easement to enter the Property to complete any Improvements which Declarant deems desirable to implement Declarant's development Plan. This right and easement shall terminate upon the earlier to occur of the dates set forth in Section 6.1(d) hereof.

6.2. Rights of Entry.

The Board of Directors shall have a limited right of entry in and upon the Common Area and the interior of all Units for

the purpose of inspecting the Project, and taking whatever corrective action may be deemed necessary or proper by the Board of Directors, consistent with the provisions of this Declaration. However, such entry upon the interior of a Unit shall be made, except to effect emergency repairs or other emergency measures, only after three (3) days prior written notice to the Owner of such Unit and after authorization of two-thirds (2/3rds) of the Board of Directors. Nothing herein shall be construed to impose any obligation upon the Association to maintain or repair any property or Improvements required to be maintained or repaired by the Owners. Nothing in this Article VI shall in any manner limit the right of the Owner to exclusive occupancy and control over the interior of his Unit. However, an Owner shall permit a right of entry to the Board of Directors or any other person authorized by the Board of Directors, as reasonably necessary, such as in case of any emergency originating in or threatening his Unit, whether the Owner is present or not. Any damage caused to a Unit by such entry by the Board of Directors or by any Person authorized by the Board of Directors shall be repaired by the Association as a Common Expense of the Association. Furthermore, an Owner shall permit other Owners, or their representatives, to enter his Residence for the purpose of performing required installations, alterations or repairs to the mechanical or electrical services to a Residence, provided that such requests for entry are made in advance and entry is made at a time reasonably convenient to the Owner whose Unit is to be entered; and provided further, that the entered Unit is left in substantially the same condition as existed immediately preceding such entry. In case of an emergency, such right of entry shall be immediate. Any damage caused to a Unit by such entry by an Owner or its representative shall be repaired by such Owner. Upon receipt of reasonable notice from the Association (which shall in no event be less than fifteen (15) days nor more than thirty (30) days) each Owner shall vacate his Unit in order to accommodate efforts by the Association to perform any other maintenance or repairs pursuant to the Declaration. The Board shall have the right of entry to the Units and the right to remove Owners from their Units, as necessary, to accomplish its duties as provided herein. The cost of eradicating any such infestation or of performing any such maintenance or repairs shall be a Common Expense of the Association; however, each Owner shall bear his own costs of temporary relocation. If the Association acts to eradicate any wood destroying pests or organisms, then the procedure established in Section 2.7 shall control.

ARTICLE VII

7. Declarant's Rights and Reservations.

Nothing in the Restrictions shall limit, and no Owner or the Association shall do anything to interfere with, the right of

Declarant to subdivide or resubdivide any portion of the Property, or to complete Improvements to and on the Common Property or any portion of the Property owned solely or partially by Declarant, or to alter the foregoing or its construction plans and designs, or to construct such additional Improvements as Declarant deems advisable in the course of development of the Property so long as any Condominium in the Project remains unsold. Any alteration of Declarant's construction plans shall require the prior approval of FHA and VA if such alteration is inconsistent with the general plan of development of the Property submitted to and approved by FHA and VA. The rights of Declarant hereunder shall include, but shall not be limited to, the right to install and maintain such structures, displays, signs, billboards, flags and sales offices as may be reasonably necessary for the conduct of its business of completing the work and disposing of the Condominiums by sale, resale, lease or otherwise. Each Owner by accepting a deed to a Condominium hereby acknowledges that the activities of Declarant may temporarily or permanently impair the view of such Owner and may constitute an inconvenience or nuisance to the Owners, and hereby consents to such impairment, inconvenience or nuisance. This Declaration shall not limit the right of Declarant at any time prior to acquisition of title to a Condominium in the Project by a purchaser from Declarant to establish on that Condominium additional licenses, easements, reservations and rights-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Property. Declarant may use any Condominiums owned by Declarant in the Project as model home complexes or real estate sales or leasing offices. Declarant need not seek or obtain Architectural Committee approval of any Improvement constructed or placed by Declarant on any portion of the Property by Declarant. The rights of Declarant hereunder and elsewhere in these Restrictions may be assigned by Declarant to any successor in interest to any portion of Declarant's interest in any portion of the Property by a written assignment. Notwithstanding any other provision of this Declaration, the prior written approval of Declarant, as developer of the Property, will be required before any amendment to this Article shall be effective. Each Owner, with the exception of the Administrator of Veterans Affairs, an officer of the United States of America, hereby grants, upon acceptance of his deed to his Unit, an irrevocable, special power of attorney to Declarant to execute and Record all documents and maps necessary to allow Declarant to exercise its rights under this Article. Declarant and its prospective purchasers of Condominiums shall be entitled to the nonexclusive use of the Common Property and any recreational facilities thereon, without further cost for access, ingress, egress, use or enjoyment, in order to show the Property to its prospective purchasers, to dispose of the Property as provided herein, and to develop and sell the

Annexable Territory. Declarant, its successors and tenants, shall also be entitled to the nonexclusive use of any portions of the Property which comprise private streets, drives and walkways for the purpose of ingress, egress and accommodating vehicular and pedestrian traffic to and from the Property and the Annexable Territory. The use of the Common Property by Declarant shall not unreasonably interfere with the use thereof by the other Members. The rights and reservations of Declarant set forth in this Article VII shall terminate on the seventh (7th) anniversary of the first Close of Escrow for the sale of a Condominium in the Project.

ARTICLE VIII

8. Residence and Use Restrictions.

All of the Property shall be held, used and enjoyed subject to the following limitations and restrictions, subject to the exemptions of Declarant set forth in this Declaration.

8.1. Single Family Residences.

That portion of the Unit comprising the "residential element" shall be used exclusively for single Family residential purposes, subject to the exemption granted Declarant under Article VII of this Declaration. An Owner may rent his Unit to a single Family provided that the Unit is rented for a term greater than thirty (30) days, subject to all of the provisions of the Declaration.

8.2. Parking and Vehicular Restrictions.

The parking areas of the Property shall be used for parking authorized vehicles only and shall not be used for storage, living, recreational or business purposes. No Owner shall park, store or keep anywhere on the Property or on any public street abutting or visible from the Property any large commercial-type vehicle (including, but not limited to, any dump truck, cement mixer truck, oil or gas truck or delivery truck). No Person shall park, store or keep any recreational vehicle (including, but not limited to, any camper unit, house car or motor home), bus, trailer, trailer coach, camp trailer, boat, aircraft, mobile home, inoperable vehicle or any other similar vehicle anywhere on the Property or on any public street abutting or visible from the Property except wholly within a garage and only with the garage door closed. In addition, no Person shall park, store or keep anywhere on the Property or on any public street abutting or visible from the Property any vehicle or vehicular equipment, mobile or otherwise, deemed to be a nuisance by the Board. Only passenger motor vehicles may be parked in the parking spaces which constitute Exclusive Use Common Area. The foregoing shall not restrict camper trucks, pickup trucks, vans and similar vehicles up to and including three-quarter (3/4) ton in weight when used for daily transportation of Residents to and from the Project. There shall be no parking in the driveways, if to do so obstructs free traffic flow,

constitutes a nuisance, violates the Rules and Regulations, or otherwise creates a safety hazard. The Association, through the Board and its agents, is hereby empowered to establish "parking," "guest parking" and "no parking" areas within the Property (other than Exclusive Use Common Area assigned to the Units). Restoring or repairing of vehicles shall not be permitted anywhere on the Property or on any public street abutting or visible from the Property. However, such repair shall be permitted within an Owner's garage when the garage door is closed, provided such activity is not undertaken as a business and provided further that such activity may be prohibited entirely or in part by the Board if the Board determines that such activity constitutes a nuisance. Any additional parking spaces which may constitute a part of the Common Property shall be subject to reasonable control and use limitation by the Board of Directors. The Board shall determine, in its discretion, whether there is noncompliance with the parking and vehicular restrictions herein. Without in any way limiting the obligations of the Owners as elsewhere herein described, the Association, or agency representing the Association, shall have the right, and shall be obligated, to enforce all parking restrictions herein set forth and to remove any vehicles in violation thereof in accordance with the provisions of Section 22658.2 of the California Vehicle Code, or other applicable laws, codes, and statutes. If, for any reason, the Association fails to enforce the parking restrictions, the City shall have the right, but not the duty, to enforce such parking restrictions in accordance with the California Vehicle Code and all other applicable laws, codes, statutes and local ordinances. Vehicles owned, operated or within the control of an Owner, or of a resident of such Owner's Unit, shall be parked in the garage or assigned carport parking space of such Owner to the extent of the space available therein; provided that each Owner shall maintain his garage in a manner which ensures that it is capable of accommodating at least one (1) such vehicle.

8.3. Nuisances.

No noxious or offensive activities (including but not limited to the repair of motor vehicles) shall be carried on upon the Property or on any public street abutting or visible from the Property. No horns, whistles, bells or other sound devices, except security devices used exclusively to protect the security of a Residence and its contents, shall be placed or used in any such Residence. No loud noises, noxious odors, noisy or smoky vehicles, large power equipment or large power tools, unlicensed off-road motor vehicles or items which may unreasonably interfere with television or radio reception of any Owner in the Project, shall be located, used or placed on any portion of the Property or on any public street abutting or visible from the Property, or exposed to the view of other Owners without the prior written approval of the Architectural Committee. The Board of Directors of the

Association shall have the right to determine if any noise, odor, or activity producing such noise or odor constitutes a nuisance. No Owner shall permit or cause anything to be done or kept upon the Property or on any public street abutting or visible from the Property which may increase the rate of insurance on Units or on the Property, or result in the cancellation of such insurance, or which will obstruct or interfere with the rights of other Owners. No Person shall commit or permit any nuisance on the Property. Each Owner shall comply with all of the requirements of the local or state health authorities and with all other governmental authorities with respect to the occupancy and use of a Residence. Each Owner shall be accountable to the Association and other Owners for the conduct and behavior of children residing in or visiting his Unit and other family members or persons residing in or visiting his Unit. Any damage to the Common Property, personal property of the Association, or property of another Owner, caused by such children or other family members, shall be repaired at the sole expense of the Owner of the Unit where such children or other family members or persons are residing or visiting.

8.4. Signs.

No sign, poster, display or other advertising device of any character shall be erected or maintained anywhere on the Property or on any public street abutting or visible from the Property, or shown or displayed from any Residence, without the prior written consent of the Architectural Committee; provided, however, that the restrictions of this Section shall not apply to any sign or notice of customary and reasonable dimension which states that the Residence is for rent or sale, so long as it is consistent with the standards promulgated by the Architectural Committee in accordance with Section 4.2 hereof. Such sign or notice may be placed within a Unit but not upon any portion of the Common Property. The Board of Directors may erect within the Common Property a master directory of Units which are for sale or for lease. This Section shall not apply to any signs used by Declarant or its agents in connection with the sale of Condominiums or the construction or alteration of the Units or Common Property, traffic and visitor parking signs installed by Declarant, and traffic and parking control signs installed with the consent of the Board. Notwithstanding the foregoing, nothing contained in this Section shall be construed in such manner as to permit the maintenance of any sign which is not in conformance with any ordinance of the City.

8.5. Antennae.

No radio station or shortwave operators of any kind shall operate from any Unit or any other portion of the Property unless approved by the Architectural Committee. With the exception of any master antenna maintained by the Association, no exterior radio antenna, "C.B." antenna,

television antenna, receiving station, satellite dish or other antenna of any type shall be erected or maintained anywhere in the Property.

8.6. Inside and Outside Installations.

No outside installation of any type, including but not limited to clotheslines, shall be constructed, erected or maintained on any Residence, excepting antennae installed by Declarant as a part of the initial construction of the Property and except as may be installed by, or with the prior consent of the Architectural Committee. No balcony, patio or deck covers, wiring, or installation of air conditioning, water softeners, or other machines shall be installed on the exterior of the buildings of the Project or be allowed to protrude through the walls or roofs of the buildings (with the exception of those items installed during the original construction of the Project), unless the prior written approval of the Architectural Committee is secured. Outdoor patio or lounge furniture, plants, exposed window coverings and barbecue equipment may be maintained pursuant to rules and procedures of the Architectural Committee. The type and color of all exposed window coverings shall be subject to the prior written approval of the Architectural Committee. Notwithstanding the specificity of the foregoing, no exterior addition, change or alteration to any Residence shall be commenced without the prior written approval of the Architectural Committee. Nothing shall be done in any Unit or in, on or to the Common Area which will or may tend to impair the structural integrity of any building in the Project or which would structurally alter any such building except as otherwise expressly provided herein. There shall be no alteration, repair or replacement of wall coverings within Units which may diminish the effectiveness of the sound control engineering within the buildings in the Project. No Owner shall cause or permit any mechanic's lien to be filed against any portion of the Project for labor or materials alleged to have been furnished or delivered to the Project or any Condominium Unit for such Owner, and any Owner who does so shall immediately cause the lien to be discharged within five (5) days after notice to the Owner from the Board. If any Owner fails to remove such mechanic's lien, the Board may discharge the lien and charge the Owner a Special Assessment for such cost of discharge.

8.7. Animal Regulations.

No animals, livestock, reptiles, insects, poultry or other animals of any kind shall be kept in any Residence except that usual and ordinary domestic dogs, cats, fish, and birds inside bird cages may be kept as household pets within any Residence provided that they are not kept, bred or raised therein for commercial purposes or in unreasonable quantities or sizes. As used in the Declaration, "unreasonable quantities" shall ordinarily mean more than two (2) pets per Residence; provided, however, that the Board may determine

that a reasonable number in any instance may be more or less. The Board shall have the right to limit the size of pets and may prohibit maintenance of any animal which constitutes, in the opinion of the Board of Directors, a nuisance to any other Owner. Animals belonging to Owners, occupants or their licensees, tenants or invitees within the Property must be either kept within an enclosure, or on a leash held by a person capable of controlling the animal. Furthermore, any Owner shall be liable to each and all remaining Owners, their families, guests and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept upon the Project by an Owner or by members of his family, his tenants or his guests. It shall be the duty and responsibility of each such Owner to clean up after such animals which have deposited droppings or otherwise used any portion of the Common Property or on any public street abutting or visible from the Property.

8.8. Business or Commercial Activity.

No business or commercial activity shall be maintained or conducted on the Property, except that Declarant may maintain sales and leasing offices as provided in Article VII. Notwithstanding the foregoing, professional and administrative occupations may be carried on within the Units, so long as there exists no external evidence of them, and provided further that all of the applicable requirements of the City are satisfied. No Owner shall use his Condominium in such a manner as to interfere unreasonably with the business of Declarant in selling Condominiums in the Project, as set forth in Article VII of this Declaration.

8.9. Rubbish Removal.

No rubbish, trash or garbage or other waste material shall be kept or permitted upon any portion of the Common Area or Exclusive Use Common Areas, except in sanitary containers located in appropriate areas screened and concealed from view, and no odor shall be permitted to arise therefrom so as to render the Property, or any portion thereof, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. Such containers shall be exposed to the view of neighboring Residents only when set out for a reasonable period of time (not to exceed twelve (12) hours before and after scheduled trash collection hours). There shall be no exterior fires whatsoever except barbecue fires contained within receptacles therefor and fire pits in enclosed areas and designed in such a manner that they do not create a fire hazard. No clothing or household fabrics shall be hung, dried or aired on or over any Exclusive Use Common Area in such a way as to be visible from any other Residence, and no lumber, grass, shrub or tree clippings or plant waste, metals, bulk material, scrap, refuse or trash shall be kept, stored or allowed to accumulate on any portion of the Property except within an enclosed structure or if appropriately screened from view.

No plants or seeds infected with noxious insects or plant diseases shall be brought upon, grown or maintained upon the Property.

8.10. Further Subdivision.

Subject to Article VII, unless at least seventy-five percent (75%) of the first Mortgagees, or Owners representing seventy-five percent (75%) of the voting power of the Association residing in Owners other than Declarant have given their prior written approval, and all applicable laws and regulations have been complied with, no Owner shall physically or legally subdivide his Unit in any manner, including without limitation any division of his Unit or his Condominium into time-share estates or time-share uses; however, the right of an Owner to rent or lease all of his Unit by means of a written lease or rental agreement subject to the Restrictions shall not be impaired. Any failure by the lessee of the Unit to comply with the terms of this Declaration or the Bylaws of the Association shall constitute a default under the lease or rental agreement.

Notwithstanding the foregoing, no Unit in the Project may be partitioned or subdivided without the prior written approval of the Beneficiary of any first Mortgage on that Unit. This Section may not be amended without the prior written approval of the Beneficiaries of at least seventy-five percent (75%) of the first Mortgages of Condominiums in the Project.

8.11. Drainage.

There shall be no interference with the established drainage pattern over the Property, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Architectural Committee. For the purpose hereof, "established" drainage in any Phase is defined as the drainage which exists at the time of the first Close of Escrow for the sale of a Condominium in such Phase, or that which is shown on any plans approved by the Architectural Committee.

8.12. Water Supply System.

No individual water supply or water softener system shall be permitted in any Unit unless such system is designed, located, constructed and equipped in accordance with the requirements, standards, and recommendations of any applicable water district, the City, and all other applicable governmental authorities. Any sewage disposal system shall be installed only after approval by the Architectural Committee and any governmental health authority having jurisdiction.

8.13. View Obstructions.

No vegetation or other obstruction shall be planted or maintained upon any patio or deck in such location or of such height as to unreasonably obstruct the view from any other Residence in the vicinity thereof. If there is a dispute

between Owners concerning the obstruction of a view from a Residence, the dispute shall be submitted to the Architectural Committee, whose decision in such matters shall be binding. Any such obstruction shall, upon request of the Architectural Committee, be removed or otherwise altered to the satisfaction of the Architectural Committee, by the Owner of the Residence upon which the obstruction is located. Any item or vegetation maintained upon any patio or deck, which item or vegetation is exposed to the view of any Owner, shall be removed or otherwise altered to the satisfaction of the Architectural Committee, if such Committee determines that the maintenance of such item or vegetation in its then existing state is contrary to the purposes or provisions of this Declaration. The Architectural Committee shall ensure that the vegetation on the Common Property maintained by the Association is cut frequently, so that the view of any Owner is not unreasonably obstructed.

8.14. Rights of the Handicapped.

Subject to the review rights of the Committee, each Owner shall have the right to modify his Unit and the route over the Common Area leading to the front door of his Unit, at his sole cost and expense, in order to facilitate access to his Unit by Persons who are blind, visually handicapped, deaf or physically disabled, or to alter conditions which would be hazardous to such Persons.

ARTICLE IX

9. Insurance.

9.1. Duty to Obtain Insurance; Types.

The Board shall cause to be obtained and maintained adequate blanket public liability insurance (including medical payments), with such limits as may be considered acceptable to FNMA (not less than \$1 million covering all claims for personal injury and property damage arising out of a single occurrence), insuring against liability for bodily injury, death and property damage arising from the activities of the Association and its Members, with respect to the Common Property. The Board shall also cause to be obtained and maintained fire and casualty insurance with extended coverage, without deduction for depreciation, in an amount as near as possible to the full replacement value of the Common Property and those portions of the Units consisting of all fixtures, installations or additions comprising a part of the buildings housing the Units and all built-in or set-in appliances, cabinets and initial basic floor coverings, as initially installed or replacements thereof in accordance with the original plans and specifications for the Project, or as installed by or at the expense of the Owners. Such insurance shall be maintained for the benefit of the Association, the Owners, and the Mortgagees, as their interests may appear as named insured, subject, however, to

loss payment requirements as set forth herein. The Board of Directors shall purchase such other insurance, as necessary, including, but not limited to, errors and omissions, directors, officers and agents liability insurance, plate glass insurance, medical payments, malicious mischief, liquor liability and vandalism insurance, fidelity bonds and worker's compensation, and such other risks as shall customarily be covered with respect to condominium projects similar in construction, location and use. Fidelity bond coverage which names the Association as an obligee must be obtained, if reasonably available, by or on behalf of the Association for any Person handling funds of the Association, including, but not limited to, officers, directors, trustees, employees and agents of the Association, whether or not such Persons are compensated for their services, in an amount not less than the estimated maximum of funds, including reserve funds, in the custody of the Association at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than the sum equal to one-fourth (1/4) of the Annual Assessments on all Condominiums in the Project, plus reserve funds. In addition, the Association shall continuously maintain in effect such casualty, flood and liability insurance and fidelity bond coverage meeting the insurance and fidelity bond requirements for condominium projects established by FNMA, GNMA and FHLMC, so long as any of which is a Mortgagee or Owner of a Condominium within the Project, except to the extent such coverage is not available or has been waived in writing by FNMA, GNMA and FHLMC, as applicable.

9.2. Waiver of Claim Against Association.

As to all policies of insurance maintained by or for the benefit of the Association and the Owners, the Association and the Owners hereby waive and release all claims against one another, the Board of Directors and Declarant, to the extent of the insurance proceeds available, whether or not the insurable damage or injury is caused by the negligence of or breach of any agreement by any of said Persons.

9.3. Right and Duty of Owners to Insure.

It is the responsibility of each Owner to provide insurance on his personal property and upon all other property and Improvements within his Unit for which the Association has not purchased insurance in accordance with Section 9.1 hereof. Nothing herein shall preclude any Owner from carrying any public liability insurance as he deems desirable to cover his individual liability for damage to person or property occurring inside his individual Unit or elsewhere upon the Property. Such policies shall not adversely affect or diminish any liability under any insurance obtained by or on behalf of the Association, and duplicate copies of such other policies shall be deposited with the Board upon request. If any loss intended to be covered by insurance carried by or on behalf of the Association shall occur and

the proceeds payable thereunder shall be reduced by reason of insurance carried by any Owner, such Owner shall assign the proceeds of such insurance carried by him to the Association, to the extent of such reduction, for application by the Board to the same purposes as the reduced proceeds are to be applied.

9.4. Notice of Expiration Requirements.

If available, each of the policies of insurance maintained by the Association shall contain a provision that said policy shall not be cancelled, terminated, materially modified or allowed to expire by its terms, without ten (10) days' prior written notice to the Board and Declarant. In addition, fidelity bonds shall provide that they may not be cancelled or substantially modified without ten (10) days prior written notice to any insurance trustee named pursuant to Section 9.6. Each Beneficiary who has sent a written request to the Association shall be entitled to receive notice from the Association of any lapse, cancellation or material modification of any such insurance policy or fidelity bond.

9.5. Insurance Premiums.

Insurance premiums for any blanket insurance coverage obtained by the Association and any other insurance deemed necessary by the Board of Directors shall be a Common Expense to be included in the Annual Assessments levied by the Association and collected from the Owners. That portion of the Annual Assessments necessary for the required insurance premiums shall be separately accounted for by the Association in the Reserve Fund, to be used solely for the payment of premiums of required insurance as such premiums become due.

9.6. Trustee for Policies.

The Association, acting through its Board of Directors, is hereby appointed and shall be deemed trustee of the interests of all named insureds under policies of insurance purchased and maintained by the Association. All insurance proceeds under any such policies as provided for in Section 9.1 of this Article shall be paid to the Board of Directors as trustees. The Board shall have full power to receive and to receipt for the proceeds and to deal therewith as provided herein. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried or otherwise disposed of as provided in Article X of this Declaration. The Board is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers, with participation, to the extent they desire, of first Mortgagees who have filed written requests within ten (10) days of receipt of notice of any damage or destruction as provided in Article X, Section 10.4 of this Declaration. Any two (2) officers of the Association may sign a loss claim form and release form in

connection with the settlement of a loss claim, and such signatures shall be binding on all the named insureds. A representative chosen by the Board may be named as an insured, including a trustee with whom the Association may enter into an insurance trust agreement or any successor to such trustee who shall have exclusive authority to negotiate losses under any policy providing property or liability insurance and to perform such other functions necessary to accomplish this purpose.

9.7. Actions as Trustee.

Except as otherwise specifically provided in this Declaration, the Board, acting on behalf of the Association and all Owners, shall have the exclusive right to bind such parties in respect to all matters affecting insurance carried by the Association, the settlement of a loss claim, and the surrender, cancellation, and modification of all such insurance, in a manner satisfactory to Beneficiaries of seventy-five percent (75%) of the first Mortgages held by first Mortgagees who have filed requests under Section 9.4. Duplicate originals or certificates of all policies of fire and casualty insurance maintained by the Association and of all renewals thereof, together with proof of payment of premiums, shall be delivered by the Association to all Owners and Mortgagees who have requested the same in writing.

9.8. Annual Insurance Review.

The Board shall review the insurance carried by or on behalf of the Association at least annually, for the purpose of determining the amount of the casualty and fire insurance referred to in Section 9.1 above. If economically feasible, the Board shall obtain a current appraisal of the full replacement value of the Improvements on the Property except for foundations and footings, without deduction for depreciation, from a qualified independent insurance appraiser, prior to each such annual review.

9.9. Required Waiver.

All policies of physical damage insurance shall provide, if reasonably possible, for waiver of the following rights, to the extent that the respective insurers would have the rights without such waivers:

(a) subrogation of claims against the Owners and tenants of the Owners;

(b) any defense based upon coinsurance;

(c) any right of setoff, counterclaim, apportionment, proration or contribution by reason of other insurance not carried by the Association;

(d) any invalidity, other adverse effect or defense on account of any breach of warranty or

condition caused by the Association, any Owner or any tenant of any Owner, or arising from any act, neglect, or omission of any named insured or the respective agents, contractors and employees of any insured;

(e) any right of the insurer to repair, rebuild or replace, and, if the Improvement is not repaired, rebuilt or replaced following loss, any right to pay under the insurance an amount less than the replacement value of the Improvements insured;

(f) notice of the assignment of any Owner of his interest in the insurance by virtue of a conveyance of any Condominium; and

(g) any right to require any assignment of any Mortgage to the insurer.

ARTICLE X

10. Destruction of Improvements.

10.1. Restoration of the Property.

Except as otherwise provided in this Declaration, in the event of any destruction of any portion of the Property, the repair or replacement of which is the responsibility of the Association, it shall be the duty of the Association to restore and repair the same to its former condition, as promptly as practical. The proceeds of any insurance maintained pursuant to Article IX hereof for reconstruction or repair of the Property shall be used for such purpose, unless otherwise provided herein. The Board shall be authorized to have prepared the necessary documents to effect such reconstruction as promptly as practical. The Property shall be reconstructed or rebuilt substantially in accordance with the Condominium Plan and the original construction plans if they are available, unless changes recommended by the Architectural Committee have been approved in writing by seventy-five percent (75%) of the Owners and by the Beneficiaries of seventy-five percent (75%) of first Mortgages upon the Condominiums. If the amount available from the proceeds of such insurance policies for such restoration and repair is at least eighty-five percent (85%) of the estimated cost of restoration and repair, a Reconstruction Assessment shall be levied by the Board of Directors to provide the necessary funds for such reconstruction, over and above the amount of any insurance proceeds available for such purpose. If the amount available from the proceeds of such insurance policies for such restoration and repair is less than eighty-five percent (85%) of the estimated cost of restoration and repair, the Owners by the vote or written consent of not less than seventy-five

percent (75%) of the Owners, together with the approval of the Beneficiaries of at least seventy-five percent (75%) of the first Mortgages on Condominiums in the Project, shall determine whether the Board shall levy a Reconstruction Assessment and proceed with such restoration and repair. If the Owners and their Mortgagees, as provided above, determine that the cost of such restoration and repair would be substantial and that it would not be in their best interests to proceed with the same, the Owners may, at their discretion, proceed as provided in Section 10.2 below.

10.2. Sale of Property and Right to Partition.

If the amount available from the proceeds of the insurance policies maintained by the Association is less than eighty-five percent (85%) of the cost of reconstruction, a certificate of the resolution authorizing such reconstruction may be Recorded within six (6) months from the date of such destruction and, if such certificate is not Recorded within said period, it shall be conclusively presumed that the Owners have determined not to rebuild said Improvements. No Owner shall have the right to partition of his interest in the Condominium and there shall be no judicial partition of the Project, or any part thereof; except that if a certificate of a resolution to rebuild or restore the Project has not been Recorded as provided above, within six (6) months from the date of any partial or total destruction, or if restoration has not actually commenced within said period, and the vote or written consent to such a partition is obtained from the Owners of two-thirds (2/3rds) of the Condominiums in the Project, then conditions for partition as set forth in Subdivision (4) of Section 1359(b) of the California Civil Code shall be deemed to have been satisfied. In such event, the Association, acting through a majority of the Board, shall prepare, execute and Record, as promptly as practical, the certificate stating that a majority of the Board may properly exercise an irrevocable power of attorney to sell the Project for the benefit of the Owners with the exception of the Administrator of Veterans Affairs, an officer of the United States of America, and such other documents and instruments as may be necessary for the Association to consummate the sale of the Property at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed. Such certificate shall be conclusive evidence of such authority for any Person relying thereon in good faith. The net proceeds of such sale and the proceeds of any insurance carried by the Association shall be divided proportionately among the Owners, such proportions to be determined in accordance with the relative appraised fair market valuation of the Condominiums as of a date immediately prior to such destruction (or condemnation), expressed as percentages, and computed by dividing such appraised valuation of each Condominium by the total of such appraised valuations of all Condominiums in the Project. The Board is hereby authorized

to hire one (1) or more appraisers for such purpose and the cost of such appraisals shall be a Common Expense of the Association. Notwithstanding the foregoing, the balance then due on any valid encumbrance of record shall be first paid in order of priority, before the distribution of any proceeds to an Owner whose Condominium is so encumbered. Nothing herein shall be deemed to prevent partition of a cotenancy in any Condominium. Except as provided above, each Owner and the successors of each Owner, whether by deed, gift, devise, or by operation of law, for their own benefit and for the Units and for the benefit of all other Owners, specifically waive and abandon all rights, interests and causes of action for a judicial partition of the tenancy in common ownership of the Project and do further covenant that no action for such judicial partition shall be instituted, prosecuted or reduced to judgment.

10.3. Interior Damage.

With the exception of any casualty or damage insured against by the Association pursuant to Article IX, Section 9.1 of this Declaration, restoration and repair of any damage to the interior of any individual Residence, including without limitation all fixtures, cabinets and improvements therein, together with restoration and repair of all interior paint, wall coverings and floor coverings, shall be made by and at the individual expense of the Owner of the Residence so damaged. In the event of a determination to rebuild the Property after partial or total destruction, as provided in this Article X, such interior repair and restoration shall be completed as promptly as practical and in a lawful and workmanlike manner, in accordance with plans approved by the Architectural Committee as provided herein.

10.4. Notice to Owners and Listed Mortgagees.

The Board, immediately upon having knowledge of any damage or destruction affecting a material portion of the Common Property, shall promptly notify all Owners and Beneficiaries, insurers and guarantors of first Mortgages on Condominiums in the Project, who have filed a written request for such notice with the Board. The Board, immediately upon having knowledge of any damage or destruction affecting a Unit, shall promptly notify any Beneficiary, insurer or guarantor of any Mortgage encumbering such Unit who has filed a written request for such notice with the Board.

ARTICLE XI

11. Eminent Domain.

11.1. Definitions.

The term "taking" as used in this Article shall mean condemnation by exercise of power of eminent domain or by sale under threat of the exercise of the power of eminent domain. A "Total Taking" shall occur if there is a permanent

taking by eminent domain of an interest in all or part of the Common Area or of all or part of one (1) or more Units, such that the ownership, operation and use of the Project in accordance with the provisions of this Declaration is substantially and adversely affected, and within one hundred twenty (120) days after the effective date of the taking the Owners of any Units (i) not taken, or (ii) only partially taken and capable of being restored to at least ninety-five percent (95%) of their floor area and to substantially their condition prior to the taking (collectively the "Remaining Units") do not by affirmative vote of a majority of their entire voting interest (without adjustment among such Units for relative voting rights because of such partial taking) approve the continuation of the Project and the repair, restoration and replacement to the extent feasible of the Common Area and the Remaining Units. A "Partial Taking" shall occur if there is any other permanent taking of the Project. A Partial Taking shall include, without limitation, a "Special Partial Taking" which is described herein as a taking of all or part of one (1) or more Units, as Units, subject to all of the provisions of this Declaration, without involving any taking of the Common Area except to the extent of the proportionate interest therein of the Units taken, so that the taking authority becomes a successor in title to the Owner or Owners of the Condominium or Condominiums so taken with the same effect as if such Units were purchased by the taking authority. Following any taking which in the opinion of the Board of Directors would constitute a Total Taking in the absence of the affirmative vote of the Owners of the Remaining Units as required by the foregoing provisions, the Board of Directors shall call a special meeting of Owners of the Remaining Units to be held promptly, and in any event within sixty (60) days after the effective date of such taking, to determine if such Owners of the Remaining Units, will or will not, decide to continue the Project as provided herein.

11.2. Awards; Repair; Restoration and Replacement.

(a) In the event of a Total Taking, the Board of Directors shall: (i) except as provided in Section 11.3, represent all of the Owners, with the exception of the Administrator of Veterans Affairs, an officer of the United States of America, in an action to recover any and all awards, subject to the right of all first Mortgagees of record, upon request, to join in the proceedings, (ii) proceed with the sale of that portion of the Project which was not included in the condemnation proceedings and distribution of the net proceeds of such sale after deducting any incidental fees and expenses, in the same proportion and in the same manner as provided in Article X, Section 10.2, and (iii) distribute the condemnation award in accordance

with the court judgment or the agreement between the condemning authority and the Association, if any, or if there is no such judgment or agreement, in accordance with Article X, Section 10.2 of this Declaration.

(b) In the event of a Partial Taking, other than a Special Partial Taking, the provisions of Section 11.2(a)(i) of this Article shall be applicable. The net proceeds of the Partial Taking awards shall be held by the Board of Directors, after deducting related fees and expenses and the portions of the awards allotted in the taking proceedings or, failing such allotment, allotted by the Board of Directors to (i) Units totally taken or partially taken and not capable of being restored to at least ninety-five percent (95%) of their floor area and substantially their condition prior to the taking, and (ii) Units taken in the same manner as in a Special Partial Taking except that the taking is made subject to only some or to none of the Restrictions (collectively the "Taken Units").

The proceeds of the Partial Taking award allotted to the Taken Units shall be paid to the Owners of the Taken Units; provided, however, that such proceeds shall first be applied to the balance then due on any Mortgages of record in order of priority before the distribution of any such proceeds to any Owner whose Condominium is subject to any such Mortgage. First Mortgagees of record with respect to the Remaining Units affected by such Partial Taking shall be entitled to severance damages payable out of the award proceeds held by the Board of Directors to the extent that such Mortgagees can prove that their security has been impaired by such taking. The balance of the net proceeds shall then be applied to the repair, restoration and replacement of the Common Property and the Remaining Units (but not Owners' personal property nor those portions of the Units which the Owners are obligated to restore) to as nearly their condition prior to the taking as may be feasible, in the same manner and under the same provisions applicable to the proceeds of insurance as set forth in Article X, Section 10.1 hereof, except for any provisions relating to Owners' personal property. Any funds held for restoration by the Board of Directors following completion thereof shall be disposed of, in each case in the same manner as provided in Article X, Section 10.2, except that the total amount of the award payable to any Member and his mortgagee or mortgagees for a

destroyed Unit or Units shall not exceed the value of said Member's Condominium interest.

If the funds held for restoration by the Board of Directors are less than the cost of restoration and repair, a Reconstruction Assessment of the Owners of the Remaining Units (determined with reference to the relative square foot floor areas of the Remaining Units, as restored) may be levied by the Board of Directors to provide the necessary additional funds for such reconstruction. In no event shall the Board of Directors be required to undertake any repair or restoration work or make any payments with respect to any Unit in excess of that portion of the awards reasonably attributable to the loss to that Unit. Following any Partial Taking, the Association and the Project shall continue, subject to and with the benefit of all the provisions of this Declaration, so far as applicable to the Remaining Units, and the voting interests of the Owners shall be the same.

(c) In the event of a Special Partial Taking or a temporary taking of any Condominium, the Owner of the Condominium taken, together with his mortgagees, shall have exclusive rights to prosecute the proceedings for the respective taking awards and to retain the proceeds thereof. In the event of a temporary taking of Common Area, the Board of Directors shall have exclusive rights to prosecute the proceedings for the respective taking awards and shall apply the proceeds thereof to reduce Common Expenses.

11.3. Owners' Awards.

Where all or part of the Project is taken by eminent domain, each Owner shall have the exclusive right to claim all of the award made for such Owners' personal property, and any relocation, moving expense, or other allowance of a similar nature designed to facilitate relocation. Notwithstanding the foregoing provisions, however, or the provisions of Sections 11.1 and 11.2, the Board of Directors, except in the case of a Special Partial Taking, shall represent each Owner in an action to recover all awards with respect to such portion, if any, of an Owner's personal property which is at the time of any taking, as a matter of law, part of the real estate comprising any Unit, and shall allocate to such Owner so much of any awards as is allotted in the taking proceedings or, failing such allotment, allotted by the Board of Directors to such Owner's personal property. The amount so allocated shall be paid to the Owner entitled thereto, whether or not the Unit in which such Owner's personal property was located is to be restored by the Board of Directors; provided, however, that such proceeds shall first

be applied to the balance then due on any Mortgages of record encumbering such Owner's Condominium, in order of priority. Notwithstanding restoration of the Unit, the Board of Directors shall have no responsibility for restoration of such Owner's personal property.

11.4. Relinquishment of Interest in Common Area.

Each Owner of a Taken Unit in any Phase of Development, by his acceptance of the award allotted to him in a taking proceeding or by the Board as a result of a Partial Taking (other than a Special Partial Taking), hereby relinquishes to the other Owners in such Phase of Development, on the basis of their relative ownership of the Common Area therein, such Owner's undivided interest in the Common Area and that portion, if any, of such Owner's Unit which was not taken by the condemning authority. Each Owner of a Taken Unit shall not be liable for assessments under this Declaration which accrue on or after the date of acceptance by such Owner of the portion of the condemnation award allotted to him. Each Owner relinquishing his interest in the Common Area pursuant to this Section shall, at the request of the Board and at the expense of the Association, execute and acknowledge such deeds and other instruments which the Board deems necessary or convenient to evidence such relinquishment.

11.5. Notice to Owners and Listed Mortgagees.

The Board of Directors, immediately upon having knowledge of any taking by eminent domain affecting a material portion of the Common Property, or any threat thereof, shall promptly notify all Owners and those Beneficiaries, insurers and guarantors of first Mortgages on Condominiums in the Project who have filed a written request for such notice with the Board. The Board, immediately upon having knowledge of any taking by eminent domain affecting a Unit, or any threat thereof, should promptly notify any Beneficiary, insurer or guarantor of a Mortgage encumbering such Unit who has filed a written request for such notice with the Board.

11.6. Condemnation of Association Property.

If at any time, all or any portion of the Association Property, or any interest therein, is taken for any public or quasi-public use, under any statute, by right of eminent domain or by private purchase in lieu of eminent domain, the award in condemnation shall be paid to the Association. Any such award payable to the Association shall be deposited in the Operating Fund. No Member shall be entitled to participate as a party, or otherwise, in any proceedings relating to such condemnation. The Association shall have the exclusive right to participate in such proceedings and shall, in its name alone, represent the interests of all Members.

ARTICLE XII

12. Rights of Mortgagees.

Notwithstanding any other provision of this Declaration, no amendment or violation of this Declaration shall operate to defeat or render invalid the rights of the Beneficiary under any Deed of Trust upon a Condominium made in good faith and for value, provided that after the foreclosure of any such Deed of Trust such Condominium shall remain subject to this Declaration, as amended. For purposes of any provision of this Declaration or the other Restrictions which require the vote or approval of a specified percentage of first Mortgagees, such vote approval shall be determined based upon one (1) vote for each Condominium encumbered by each such first Mortgage. In order to induce FHLMC, GNMA, FNMA, VA and FHA to participate in the financing of the sale of Condominiums within the Project, the following provisions are added hereto (and to the extent these added provisions, pertaining to the rights of Mortgagees, FHLMC, FNMA, GNMA, VA and FHA conflict with any other provisions of this Declaration or any other of the Restrictions, these added restrictions shall control):

(a) Each Beneficiary, insurer and guarantor of a first Mortgage encumbering any Condominium, upon filing a written request for notification with the Board, is entitled to written notification from the Association of any default by the Mortgagor of such Condominium in the performance of such Mortgagor's obligations under the Restrictions, which default is not cured within thirty (30) days after the Association learns of such default. For purposes of this Declaration, "first Mortgage" shall mean a Mortgage with first priority over other Mortgages or Deeds of Trust on a Condominium, and "first Mortgagee" shall mean the Beneficiary of a first Mortgage.

(b) Every Owner, including every first Mortgagee of a Mortgage encumbering any Condominium, who obtains title to such Condominium pursuant to the remedies provided in such Mortgage, or pursuant to foreclosure of the Mortgage, or by deed (or assignment) in lieu of foreclosure, shall be exempt from any "right of first refusal" created or purported to be created by the Restrictions.

(c) Each first Mortgagee of a Mortgage encumbering any Condominium, which obtains title to such Condominium, pursuant to judicial foreclosure or the powers provided in such Mortgage, shall take title to such Condominium free and clear of any claims for unpaid assessments or charges against such Condominium which accrued prior to the time

such Mortgagee acquires title to such Condominium in accordance with Section 5.10.

(d) Unless at least sixty-seven percent (67%) of the first Mortgagees or sixty-seven percent (67%) of the Owners (other than Declarant) have given their prior written approval, neither the Association nor the Owners shall:

(1) by act or omission seek to abandon or terminate the Property; or

(2) change the method of determining the obligations, assessment dues or other charges which may be levied against any Owner; or

(3) partition or subdivide any Condominium Unit; or

(4) by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Property. (The granting of easements for public utilities or for other purposes consistent with the intended use of the Common Property under this Declaration shall not be deemed a transfer within the meaning of this clause); or

(5) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design, the exterior appearance or the maintenance of the Units or the Common Property; or

(6) fail to maintain or cause to be maintained Fire and Extended Coverage insurance on insurable Common Area as provided in Article IX of this Declaration; or

(7) use hazard insurance proceeds for losses to any condominium property (i.e., Improvements to the Units or Common Property) for other than the repair, replacement or reconstruction of such condominium property, subject to the provisions of Article X of this Declaration; or

(8) change the pro rata interest or obligations of any Condominium in order

to levy assessments or charges, allocate distributions of hazard insurance proceeds or condemnation awards or determine the pro rata share of ownership of each Condominium in the Common Area.

(e) All Beneficiaries, insurers and guarantors of first Mortgages, upon written request, shall have the right to (1) examine the books and records of the Association during normal business hours, (2) require from the Association the submission of an annual audited financial statement (without expense to the Beneficiary, insurer or guarantor requesting such statement) and other financial data, (3) receive written notice of all meetings of the Owners, (4) designate in writing a representative to attend all such meetings, and (5) receive written notice of proposed action requiring the consent of a specified percentage of Mortgagees.

(f) All Beneficiaries, insurers and guarantors of first Mortgagees, upon written request, shall be given thirty (30) days' written notice prior to the effective date of (1) any proposed material amendment to the Restrictions or Condominium Plans; (2) any termination of an agreement for professional management of the Property following any decision of the Owners to assume self-management of the Project; and (3) any proposed termination of the Property as a condominium project.

(g) The Reserve Fund described in Article V of this Declaration must be funded by regular scheduled monthly, quarterly, or semiannual payments rather than by large special assessments.

(h) The Board shall secure and cause to be maintained in force at all times a fidelity bond for any Person handling funds of the Association, including, but not limited to, employees of the professional Manager.

(i) In addition to the foregoing, the Board may enter into such contracts or agreements on behalf of the Association as are required in order to satisfy the guidelines of VA, FHA, FHLMC, FNMA or GNMA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entities of first Mortgages encumbering Condominiums. Each Owner hereby agrees that it will benefit the Association and the membership of the Association, as a class of potential Mortgage borrowers and potential sellers of their residential Condominiums, if such agencies

approve the Property as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time. Mortgagees are hereby authorized to furnish information to the Board concerning the status of any Mortgage encumbering a Condominium.

(j) Each Owner hereby authorizes the first Mortgagee of a first Mortgage on his Condominium to furnish information to the Board concerning the status of such first Mortgage and the loan which it secures.

(k) When professional management has been previously required by a Beneficiary, insurer, or guarantor of a first Mortgage, any decision to establish self-management by the Association shall require the approval of sixty-seven percent (67%) of the voting power of the Association and the Beneficiaries of fifty-one percent (51%) of the first Mortgages of Condominiums in the Project.

(l) All intended Improvements in any Phase of Development other than Phase 1 shall be substantially completed or the completion of such Improvements shall be secured by a bond or other arrangement acceptable to the DRE prior to the first Close of Escrow for the sale of a Condominium in such Phase. All such Improvements shall be consistent with the Improvements in Phase 1 in terms of quality of construction.

(m) First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Property and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for Common Property, and First Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

ARTICLE XIII

13. Duration and Amendment.

13.1. Duration.

This Declaration shall continue in full force for a term of fifty (50) years from the date of Recordation hereof, after which time the same shall be automatically extended for successive periods of ten (10) years, unless a Declaration of Termination is Recorded, satisfying the requirements of an amendment to this Declaration as set forth in Section 13.2. There shall be no severance by sale, conveyance, encumbrance

or hypothecation of an interest in any Unit from the concomitant Membership in the Association, as long as this Declaration shall continue in full force and effect. The provisions of this Article are subject to the provisions of Sections 10.2 and 11.2 of this Declaration.

13.2. Amendment.

(a) Notice of the subject matter of a proposed amendment to this Declaration in reasonably detailed form shall be included in the notice of any meeting or election of the Association at which a proposed amendment is to be considered. The resolution shall be adopted by the vote, in person or by proxy, or written consent of Members representing not less than (i) sixty-seven percent (67%) of the voting power of the Association, and (ii) sixty-seven percent (67%) of the voting power of the Association residing in Members other than Declarant, provided that the specified percentage of the voting power of the Association necessary to amend a specified Section or provision of this Declaration shall not be less than the percentage of affirmative votes prescribed for action to be taken under that Section or provision. So long as there exists a Class B Membership, the prior approval of VA and FHA shall be required for any amendment of this Declaration. A draft of the proposed amendment shall be submitted to VA and FHA for approval prior to its approval by the Membership of the Association.

(b) In addition to the required notice and consent of VA, FHA, Members and Declarant provided above, the Beneficiaries of fifty-one percent (51%) of the first Mortgages on all the Condominiums in the Project must approve any amendment to this Declaration which is of a material nature, as follows:

(i) Any amendment which affects or purports to affect the validity or priority of encumbrances or the rights or protection granted to Beneficiaries, insurers or guarantors of first Mortgages as provided in Articles V, IX, X, XI, XII and XIII hereof.

(ii) Any amendment which would necessitate an encumbrancer after it has acquired a Condominium through foreclosure to pay more than its proportionate share of any unpaid assessment or assessments accruing after such foreclosure.

(iii) Any amendment which would or could result in an encumbrance being cancelled by forfeiture, or in a Condominium not being separately assessed for tax purposes.

(iv) Any amendment relating to the insurance provisions as set out in Article IX hereof, or to the application of insurance proceeds as set out in Article X hereof, or to the disposition of any money received in any taking under condemnation proceedings.

(v) Any amendment which would or could result in partition or subdivision of a Condominium Unit in any manner inconsistent with the provisions of this Declaration.

(vi) Any amendment which would subject any Owner to a right of first refusal or other such restriction, if such Condominium is proposed to be sold, transferred, or otherwise conveyed.

(vii) Any amendment concerning:

(A) Voting rights;

(B) Rights to use the Common Property;

(C) Reserves and responsibility for maintenance, repair and replacement of the Common Property;

(D) Boundaries of any Unit;

(E) Owners' interests in the Common Area;

(F) Convertibility of Common Area into Units or Units into Common Area;

(G) Leasing of Units;

(H) Establishment of self-management by the Association where professional management has been required by any Beneficiary, insurer or guarantor of a first Mortgage;

(I) Annexation or deannexation of real property to or from the Property; or

(J) Assessments, assessment liens, or the subordination of such liens.

(c) Termination of this Declaration shall require approval by the Members as provided in subsection (a) of this Section 13.2. No such termination shall be effective unless it is also approved in advance either by fifty-one percent (51%) of the Beneficiaries of the first Mortgages on all of the Condominiums in the Project (if said termination is proposed by reason of the substantial destruction or condemnation of the Project) or by sixty-seven percent (67%) of such Beneficiaries (if said termination is for reasons other than such substantial destruction or condemnation).

(d) Each Beneficiary of a first Mortgage on a Condominium in the Project which receives proper written notice of a proposed amendment or termination of this Declaration by certified or registered mail with a return receipt requested shall be deemed to have approved the amendment or termination if the Beneficiary fails to submit a response to the notice within thirty (30) days after the Beneficiary receives the notice.

(e) A copy of each amendment shall be certified by at least two (2) officers of the Association, and the amendment shall be effective when a Certificate of Amendment is Recorded. The Certificate, signed and sworn to by two (2) officers of the Association that the requisite number of Owners and mortgagees have either voted for or consented in writing to any amendment adopted as provided above, when Recorded, shall be conclusive evidence of that fact. The Association shall maintain in its files the record of all such votes or written consents for a period of at least four (4) years.

13.3. Protection of Declarant.

Until the seventh (7th) anniversary of the first Close of Escrow for the sale of a Condominium in the Project, the prior written approval of Declarant, as developer of the Property, will be required before any amendment which would impair or diminish the rights of Declarant to complete the Property or sell or lease Condominiums therein in accordance with this Declaration shall become effective. Notwithstanding any other provisions of the Restrictions, until such time as (i) Declarant is no longer entitled to add Annexable Territory to the Property without the consent of the Association pursuant to Section 16.1, or (ii) Declarant

no longer owns any Condominiums in the Property, whichever occurs last, the following actions, before being undertaken by the Association, shall first be approved in writing by Declarant:

(a) Any amendment or action requiring the approval of first Mortgagees pursuant to this Declaration, including without limitation all amendments and actions specified in Sections 13.2;

(b) The annexation to the Property of real property other than the Annexable Territory pursuant to Section 16.2;

(c) The levy of a Capital Improvement Assessment for the construction of new facilities not constructed on the Common Property by Declarant; or

(d) Subject to Section 5.4 regarding limitations on Annual Assessment increases, any significant reduction of Association maintenance or other services.

ARTICLE XIV

14. Enforcement of Certain Bonded Obligation.

14.1. Consideration by Board of Directors.

If (1) the Improvements to be located on the Common Property are not completed prior to the issuance of a Final Subdivision Public Report by the DRE for the sale of Condominiums in the Project, and (2) the Association is obligee under a bond or other arrangement ("Bond") required by the DRE to secure performance of the commitment of Declarant to complete such Improvements, the Board of Directors of the Association shall consider and vote on the question of action by the Association to enforce the obligations under the Bond, with respect to any such Improvement for which a Notice of Completion has not been filed within sixty (60) days after the completion date specified for that Improvement in the Planned Construction Statement appended to the Bond. If the Association has given an extension in writing for the completion of any Improvement on the Common Property, the Board shall be directed to consider and vote on the aforesaid question (if a Notice of Completion has not been filed), within thirty (30) days after the expiration of the extension.

14.2. Consideration by the Members.

A special meeting of Members, for the purpose of voting to override a decision by the Board not to initiate action to enforce the obligations under the Bond or on the failure of the Board to consider and vote on the question, shall be held

no fewer than thirty-five (35) days nor more than forty-five (45) days after receipt by the Board of a petition for such a meeting signed by Members representing five percent (5%) of the total voting power of the Association residing in Members other than Declarant. A vote at such meeting to take action to enforce the obligations under the Bond by Members representing a majority of the total voting power of the Association residing in Members other than Declarant shall be deemed to be the decision of the Association, and the Board shall thereafter implement this decision by initiating and pursuing appropriate action in the name of the Association.

ARTICLE XV

15. General Provisions.

15.1. Legal Proceedings.

Failure to comply with any of the terms of the Restrictions by an Owner, his family, guests, employees, invitees or tenants, shall be grounds for relief which may include, without limitation, an action to recover sums due for damages, injunctive relief, foreclosure of any lien, or any combination thereof. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce that provision, or any other provision hereof. The Board, any Owner (not at the time in default hereunder), the City or Declarant (so long as Declarant is an Owner) shall be entitled to bring an action for damages against any defaulting Owner, and in addition may enjoin any violation of this Declaration. Any judgment rendered in any action or proceeding pursuant to this Declaration shall include a sum for attorneys' fees in such amount as the Court may deem reasonable, in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and court costs. Each remedy provided for in this Declaration shall be cumulative and not exclusive or exhaustive. Each Owner shall have a right of action against the Association for the failure by the Association to comply with the Restrictions.

15.2. Violation of Restrictions.

Without in any way limiting the generality of the foregoing, if the Board of Directors determines that there is a violation of any provision of this Declaration, or the Architectural Committee determines that an Improvement which is the maintenance responsibility of an Owner is in need of installation, repair, restoration or painting, then the Board shall give written notice to the responsible Owner of the condition or violation complained of. Unless the Architectural Committee has approved in writing corrective plans proposed by the Owner to remedy the condition complained of within such period of time as may be determined reasonable by the Board after it has given said written notice, and such corrective work so approved is completed

thereafter within the time allotted by the Board, the Board, after Notice and Hearing, shall undertake to remedy such condition or violation complained of, and the cost thereof shall be charged to the Owner and his Condominium whose Residence is the subject matter of the corrective work. Such cost shall be deemed to be a Special Assessment to such Owner and shall be subject to enforcement and collection by the Board in accordance with the procedures provided for in this Declaration. The Board may also adopt a schedule of reasonable fines or penalties which, in its reasonable discretion, it may assess against an Owner for the failure of such Owner, or of a resident of or visitor to such Owner's Unit, to comply with any provision of the Restrictions. Such fines or penalties may only be assessed by the Board after Notice and Hearing.

15.3. Severability.

The provisions hereof shall be deemed independent and severable, and a determination of invalidity or partial invalidity or unenforceability of any one provision or portion hereof by a court of competent jurisdiction shall not affect the validity or enforceability of any other provisions hereof.

15.4. Interpretation.

The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the creation and operation of a residential condominium development and for the maintenance of Common Property, and any violation of this Declaration shall be deemed to be a nuisance. The Article and Section headings, titles and captions have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction. As used herein, the singular shall include the plural and the masculine, feminine and neuter shall each include the other, unless the context dictates otherwise.

15.5. Mergers or Consolidations.

Upon a merger or consolidation of the Association with another association, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer and enforce the covenants, conditions and restrictions established by this Declaration governing the Property, together with the covenants and restrictions established upon any other property, as one (1) plan. Any such merger or consolidation shall require the prior written approval of VA.

15.6. Use of Recreational Facilities.

The Board of Directors shall have the right to limit the number of guests that an Owner or such Owner's tenant may permit to use the open parking and recreational facilities on the Common Property, and the Board shall have the right to set further reasonable restrictions on the time and manner of use of said parking areas and recreational facilities, in accordance with the Rules and Regulations, including, without limitation, Rules and Regulations restricting or prohibiting the use of all or designated portions of the Property recreational facilities by minors, guests of an Owner or his tenants.

15.7. No Public Right or Dedication.

Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Property to the public, or for any public use.

15.8. No Representations or Warranties.

No representations or warranties of any kind, express or implied, other than the standard warranty required by VA and FHA, have been given or made by Declarant, or its agents or employees in connection with the Property, or any portion thereof, its physical condition, zoning, compliance with applicable laws, fitness for intended use, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof as a Condominium Project, except as specifically and expressly set forth in this Declaration and except as may be filed by Declarant from time to time with the DRE.

15.9. Nonliability and Indemnification.

Except as specifically provided in the Restrictions or as required by law, no right, power, or responsibility conferred on the Board or the Architectural Committee by this Declaration, the Articles or the Bylaws shall be construed as a duty, obligation or disability charged upon the Board, the Architectural Committee, any member of the Board or of the Architectural Committee, or any other officer, employee or agent of the Association. No such Person shall be liable to any party (other than the Association or a party claiming in the name of the Association) for injuries or damage resulting from such Person's acts or omissions within what such Person reasonably believed to be the scope of his Association duties ("Official Acts"), except to the extent that such injuries or damage result from such Person's willful or malicious misconduct. No such Person shall be liable to the Association (or to any party claiming in the name of the Association) for injuries or damage resulting from such Person's Official Acts, except to the extent that such injuries or damage result from such Person's negligence or willful or malicious misconduct.

In addition, no person who suffers bodily injury (including, without limitation, emotional distress or wrongful death) as a result of the tortious act or omission of a volunteer member of the Board or volunteer officer of the Association shall recover damages from such Board member or officer if the following conditions are satisfied:

(1) The Board member or officer resides in the Property as either a tenant or as an Owner of no more than two (2) Condominiums;

(2) The act or omission was performed within the scope of the volunteer Board member's or officer's Association duties;

(3) The act or omission was performed in good faith;

(4) The act or omission was not willful, wanton, or grossly negligent;

(5) The Association maintained and had in effect at the time the act or omission occurred and at the time a claim is made general liability insurance in the following amounts:

(a) Five Hundred Thousand Dollars (\$500,000) if the Property then consists of one hundred (100) or fewer Condominiums;

(b) One Million Dollars (\$1,000,000) if the Property then consists of more than one hundred (100) Condominiums.

The payment of actual expenses incurred by a Board member or officer in the execution of such Person's Association duties shall not affect such Person's status as a volunteer Board member or officer for the purposes of this Section 15.9.

A Board member or officer who at the time of the act or omission received either direct or indirect compensation as an employee from Declarant or from a financial institution that purchased a Condominium at a judicial or non-judicial foreclosure of a Mortgage is not a volunteer for purposes of this Section 15.9.

The Association shall pay all expenses incurred by, and satisfy any judgment or fine levied against, any person as a result of any action or threatened action against such Person to impose liability on such Person for his Official Acts, provided that:

(1) The Board determines that such Person acted in good faith and in a manner such Person reasonably believed to be in the best interests of the Association;

(2) In the case of a criminal proceeding, the Board determines that such Person had no reasonable cause to believe his conduct was unlawful; and

(3) In the case of an action or threatened action by or in the right of the Association, the Board determines that such Person acted with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.

Any determination of the Board required under this Section 15.9 must be approved by a majority vote of a quorum consisting of Directors who are not parties to the action or threatened action giving rise to the indemnification. If the Board fails or refuses to make any such determination, such determination may be made by the vote or written consent of a majority of a quorum of the Members of the Association, provided that the Person to be indemnified shall not be entitled to vote.

Payments made hereunder shall include amounts paid and expenses incurred in settling any such action or threatened action. This Section 15.9 shall be construed to authorize payments and indemnification to the fullest extent now or hereafter permitted by applicable law.

The entitlement to indemnification hereunder shall inure to the benefit of the estate, executor, administrator, heirs, legatees, or devisees of any Person entitled to such indemnification.

15.10. Notices.

Except as otherwise provided in this Declaration, in each instance in which notice is to be given to an Owner, the same shall be in writing and may be delivered personally to the Owner, in which case personal delivery of such notice to one (1) or more co-owners of a Condominium or to any general partner of a partnership owning a Condominium shall be deemed delivery to all co-owners or to the partnership, as the case may be. Personal delivery of such notice to any officer or agent for the service of process on a corporation shall be

deemed delivery to the corporation. In lieu of the foregoing, such notice may be delivered by regular United States mail, postage prepaid, addressed to the Owner at the most recent address furnished by such Owner to the Association or, if no such address shall have been furnished, to the street address of such Owner's Unit. Such notice shall be deemed delivered three (3) business days after the time of such mailing, except for notice of a meeting of Members or of the Board of Directors in which case the notice provisions of the Bylaws of the Association shall control. Any notice to be given to the Association may be delivered personally to any member of the Board, or sent by United States mail, postage prepaid, addressed to the Association at such address as shall be fixed from time to time and circulated to all Owners.

15.11. Priorities and Inconsistencies.

If there are conflicts or inconsistencies between this Declaration and either the Articles of Incorporation or the Bylaws of the Association, the terms and provisions of this Declaration shall prevail.

ARTICLE XVI

16. Annexation of Additional Property.

Additional real property may be annexed to Phase 1 and such additional real property may become subject to this Declaration by any of the methods set forth hereinafter:

16.1. Additions by Declarant.

Declarant or its successors or assigns shall have the right from time to time to add the Annexable Territory, or any portion or portions thereof (including any recreation facilities located thereon), to the Property and to bring such added territory within the general plan and scheme of this Declaration without the approval of the Association, its Board of Directors, or Members; provided that such a right of Declarant and its successors and assigns shall terminate on the third anniversary of the original issuance of the most recently issued Final Subdivision Public Report for the most recent Phase of Development. As each Phase of Development is developed, Declarant may, with respect thereto, record a supplemental declaration ("Supplemental Declaration") which may supplement this Declaration with such additional covenants, conditions, restrictions, reservations and easements as Declarant may deem appropriate for that Phase of Development. Prior to any annexation under this Section 16.1, detailed plans for the development of the additional property must be submitted to the VA and the VA must determine that such plans are in accordance with the general plan and so advise Declarant.

16.2. Other Additions.

In addition to the provision for annexation specified in Section 16.1 above, additional real property may be annexed to the Properties and brought within the general plan and scheme of this Declaration upon the approval by vote or written consent of Members entitled to exercise no less than two-thirds (2/3rds) of the voting power of the Association. Notwithstanding the foregoing, the additional real property may not be annexed to the Property after the seventh (7th) anniversary of the Recordation of this Declaration.

16.3. Rights and Obligations-Added Territory.

Subject to the provisions of Section 16.4, upon the Recording of a Notice of Addition of Territory containing the provisions as set forth in this Section, all provisions contained in this Declaration shall apply to the real property described in such Notice of Addition of Territory (the "added territory") in the same manner as if it were originally covered by this Declaration. Thereafter, the rights, powers and responsibilities of the parties to this Declaration with respect to the added territory shall be the same as with respect to the property originally covered hereby, and the rights, powers and responsibilities of the Owners, lessees and occupants of Units within the added territory, as well as within the property originally subject to this Declaration, shall be the same as if the added territory were originally covered by this Declaration. Voting rights attributable to the Condominiums in the added territory shall not vest until Annual Assessments have commenced as to such Condominiums. Subject to the provisions of Section 11.4 hereof, the undivided fee simple interest appurtenant to each Unit in the real property covered by a Notice of Addition shall be a fraction, the numerator of which is one (1) and the denominator of which is the total number of Units in the real property covered by such Notice of Addition.

16.4. Notice of Addition of Territory.

The additions authorized under Sections 16.1 and 16.2 shall be made by Recording a Notice of Addition of Territory, or other similar instrument (which Notice or Instrument may contain the Supplemental Declaration, if any, affecting each such Phase of Development), with respect to the added territory which shall be executed by Declarant and shall extend the general plan and scheme of this Declaration to such added territory ("Notice of Addition"). The Recordation of said Notice of Addition shall constitute and effectuate the annexation of the added territory described therein, and thereupon said added territory shall become and constitute a part of the Project, become subject to this Declaration and encompassed within the general plan and scheme of covenants, conditions, restrictions, reservation of easements and equitable servitudes contained herein, and become subject to the functions, powers and jurisdiction of the Association; and the Owners of Condominiums in said added territory shall automatically become Members of the Association. Such Notice of Addition may contain a Supplemental Declaration with such additions and modifications of the covenants, conditions,

restrictions, reservation of easements and equitable servitudes contained in this Declaration as may be necessary to reflect the different character, if any, of the added territory, or as Declarant may deem appropriate in the development of the added territory, and as are not inconsistent with the general plan and scheme of this Declaration. In no event, however, shall such Notice of Addition or Supplemental Declaration revoke, modify or add to the covenants, conditions, restrictions, reservation of easements, or equitable servitudes established by this Declaration as the same shall pertain to the real property originally covered by this Declaration. Concurrently with the first Close of Escrow for the sale of a Condominium in any Phase of Development annexed to the Property in accordance herewith, Declarant shall pay to the Association an appropriate amount (as determined by DRE) for reserves for replacement or deferred maintenance of the Common Property in such Phase necessitated by or arising out of the use and occupancy of the Condominiums in such Phase under a rental program conducted by Declarant if such rental program was in effect for at least one (1) year prior to such first Close of Escrow.

16.5. Reciprocal Cross-Easements Between Phases.
Subject to annexation of additional property as set forth in Section 16.1:

(a) Declarant hereby reserves for the benefit of and appurtenant to the Condominiums hereafter located in each Phase of Development annexed to Phase 1 and their respective Owners, nonexclusive easements to use the Common Property (other than any buildings containing dwelling units or Exclusive Use Common Area) in Phase 1, including, without limitation, the driveways, pursuant to and in the manner set forth in this Declaration, to the same extent and with the same effect as if each of the Owners of a Condominium in each Phase of Development annexed to Phase 1 owned an undivided interest in the Common Area in Phase 1.

(b) Declarant hereby grants, for the benefit of and appurtenant to each Condominium in Phase 1 and their Owners, a nonexclusive easement to use the Common Property (other than any buildings containing dwelling units or Exclusive Use Common Area) in each Phase of Development annexed to Phase 1, including, without limitation, the driveways, pursuant to and in the manner set forth in this Declaration, to the same extent and with the same effect as if each of the Owners of a Condominium in Phase 1 owned an undivided interest in the Common Area in each such Phase of Development.

These reciprocal cross-easements shall be effective as to each Phase of Development annexed to Phase 1 and as to Phase 1, only upon the first Close of Escrow for the sale of a Condominium in such Phase of Development annexed to Phase 1. Prior to such first Close of Escrow, neither Phase 1 nor the Phases of Development annexed to Phase 1 shall be affected by these reciprocal cross-easements.

16.6. Deannexation.

Declarant may delete all or a portion of a Phase of Development from coverage of this Declaration and the jurisdiction of the Association, so long as Declarant is the owner of all of such Phase of Development, and provided that (1) a Notice of Deletion of Territory is Recorded in the same manner as the applicable Notice of Addition was Recorded, (2) Declarant has not exercised any Association vote with respect to any portion of such Phase of Development, (3) assessments have not yet commenced with respect to any portion of such Phase of Development, (4) Close of Escrow has not occurred for the sale of any Condominium in such Phase of Development, (5) the Association has not made any expenditures or incurred any obligations with respect to any portion of such Phase of Development, and (6) a draft of the Notice of Deletion of Territory has been submitted to VA and VA has determined that the deannexation is acceptable and in accordance with the revised general plan and has so advised Declarant.
