BELSERA

AT TIERRASANTA NORTE

PREFACE

This handbook has been compiled by your Community Association to outline the operating procedures of the Associations and to provide other important information about your condominium and association common areas. The purpose of your Association is to protect the BELSERA COMMUNITY ASSOCIATION property while making condominium association living a pleasant experience for everyone.

The Association concept is an ingenious device for engaging able people to manage the community assets. The advantage of a planned development is that the authority, as well as the responsibility for maintaining the property, is retained by those with a vested interest in the community's welfare -- the property owners.

Living in a condominium can be a happy and rewarding experience, especially at the beautiful, prestigious and luxurious BELSERA. A planned development helps ensure that the original planning concepts and design that went into creating the community are preserved, protected and enhanced.

Everyone benefits from an effective community association!

All owners should have received copies of the Declaration of Covenants, Conditions and Restrictions and the Bylaws of the **BELSERA COMMUNITY ASSOCIATION**. We urge you to read both sets of these documents since they set forth, in complete detail, the rights, duties and obligations of each homeowner; and they, not this booklet, are the official documents which cover these rights. Please read this manual prior to occupying your condominium.

These Rules and Regulations supplement the CC&R's. Please read this information carefully and be sure your family, guests and tenants understand the rules fully. If there are any questions or if you do not have copies of the Association documents, please contact the management office.

We trust that your knowledge of this information will enhance your daily enjoyment of your new condominium residence at BELSERA.

Thank you for your consideration and cooperation. All owners and tenants are encouraged to participate in directing the affairs of the **BELSERA COMMUNITY ASSOCIATION**.

GENERAL INFORMATION

BELSERA COMMUNITY ASSOCIATION

The purpose of your Community Association is to operate and maintain the property and assets of BELSERA for the mutual benefit of the owners. Your cooperation is essential in order to accomplish these purposes; and, common sense and consideration for your neighbors are the keys to its success.

Each condominium owner is a member of the Belsera Community Association and owner participation is both necessary and encouraged. Residential responsibility, cooperation and action have many rewards. One is that the Development continues to be a showcase long after all the homes are sold because the quality of the Community is maintained and enhanced.

ASSOCIATIONS

The Community Association is governed by a Board of Directors which meets regularly to make decisions pertaining to common area and building maintenance matters.

Common Areas and buildings within the Belsera Community Association complex incorporate all space not designated as an individual living unit and include such areas as landscaping, sidewalks, pool/spa, buildings and other recreational facilities, driveways and parking lots. The responsibility of the Board of Directors is to maintain, protect and enhance the Common Area property.

1. Community Association

The first **Annual Meeting of Members** will be held within 45 days following close of escrow of 51 % of the living units or not later than six months following the close of escrow for the sale of the first unit. Subsequent Annual Meetings will be held on the anniversary of the first meeting.

Special Meetings of Members shall be promptly called by the Board upon request by a majority of a quorum of the Board, written request by Members representing 5% of the total voting power of the Association, or by the Delegate representing said voting power.

ASSOCIATION MEETINGS

Unless there is a need for a Special Meeting, meetings of the Board are usually held monthly and normally last approximately one hour.

BELSERA

AT TIERRASANTA NORTE

Experts have been employed to guide and assist the Board of Directors in fulfilling their responsibilities and in doing an audit each year. Experts are generally employed in the following areas:

- Landscape**
- Finance**
- Insurance**
- Building Maintenance**
- Legal**

During certain months of the year, each of the experts will meet with the Board for approximately twenty minutes to review a particular topic, to ensure that there is a clear understanding on the part of all Directors as to what needs to be done, and to determine that the Association is operating well.

Notice of the date, time and location of all meetings of the Board of Directors of the Community Association will be posted on the bulletin board on the Association Property and listed on monthly billings. Both Homeowners and Residents are encouraged to attend. With the exception of Executive Sessions, Regular and Special meetings of the Board are open for observation to all Members. Members who are not on the Board, however, may not participate in any discussion unless so authorized by a vote of a majority of a quorum of the Board. The nature of all business to be considered in executive session shall first be announced in open session.

Notices of the date, time and location of **Annual Meetings of Members** will be mailed to all homeowners of record prior to the meeting. In order to establish a quorum so that business can be conducted, it is imperative that owners either attend in person or submit their proxy.

FINANCIAL AUDITS

Financial audits are prepared at the end of each fiscal year and are mailed to homeowners of record upon completion.

INSURANCE INFORMATION

Belsera Community Association has purchased a master policy of property and casualty insurance covering the building, common area contents and equipment, and common area public liability. This coverage will be renewed annually.

Each unit owner or occupant should have his/her own personal insurance which will provide coverage for personal property, and personal liability within and around the unit.

It is highly recommended that each owner or occupant review their particular situation with their own insurance agent or broker so that their individual policy will tie in with the coverages

BELSERA

provided by the master policy. For further information regarding personal or Community Association insurance, contact your management company.

The policy covers property that is commonly owned. It does not cover personal property, loss of use, or loss of assessment coverage. Association members are urged to consult with their individual insurance broker or agent for the appropriate type and amount of additional coverage for property owned individually (not commonly owned).
